Fagan,2025-02-28 *In the Beginning* describes the basic methods and theoretical approaches of archaeology This is a book
about fundamental principles written in a clear engaging style with minimal use of technical jargon which approaches
archaeology from a global perspective This new edition includes new case studies and updated sections on the latest
archaeological methods theories and developments in archaeological science There are heavily updated chapters on cultural
resource management public archaeology and the important role of archaeology in society as well as new material on
multidisciplinary research ethics diversity underwater archaeology and the preservation of the archaeological record
Beginning with a broad introduction to the field this book surveys the highlights of archaeology s vibrant history then covers
the basics of preservation dating the past and the context of archaeological finds Descriptions of field surveys including the
latest remote sensing methods excavation and artifact analysis lead into the study of ancient environments landscapes and
settlement patterns and the people of the past There is also a chapter on archaeology as a potential career In the Beginning

takes the reader on an evenly balanced journey through today's archaeology and introduces them to the importance of archaeology in the modern world. This well-illustrated account, with its numerous boxes and sidebars, is laced with interesting and often entertaining examples of archaeological research from around the globe. It is aimed at introductory students in archaeology and anthropology taking survey courses on archaeology as well as more advanced readers. *The Publishers' Trade List Annual*, 1971

World Civilizations, 2005

World Civilizations Peter N. Stearns, Michael B. Adas, Stuart B. Schwartz, Marc Jason Gilbert, 2006-08-28. For today's busy student, we've created a new line of highly portable books at affordable prices. Each title in the Books a la Carte Plus program features the exact same content from our traditional textbook in a convenient notebook-ready loose-leaf version, allowing students to take only what they need to class. As an added bonus, each Books a la Carte Plus edition is accompanied by an access code to all of the resources found in one of our best-selling multimedia products. Best of all, our Books a la Carte Plus titles cost less than a used textbook. The primary goal of *World Civilizations* is to present a truly global history since the development of agriculture and herding to the present. Using a unique periodization, this book divides the main periods of human history according to changes in the nature and extent of global contacts. This global world history text emphasizes the major stages in the interactions among different peoples and societies while also assessing the development of major societies. Presenting social and cultural as well as political and economic aspects, the book examines key civilizations in world history. *World Civilizations* balances this discussion of independent developments in the world's major civilizations with comparative analysis of the results of global contact.

The Writer's World - Reading Strategies and Selections Lynne Gaetz, Suneeti Phadke, 2005-12. The *Writer's World* addresses the diverse needs of your students by meeting the needs of nonnative English speakers, visual learners, and students with varying skill levels. Now *The Writer's World* addresses the diverse needs of instructors. Prentice Hall is proud to offer *The Writer's World: Paragraphs and Essays* in four individual volumes. Developed to provide maximum flexibility for both instructors and students, the volumes were created directly from the pages of *The Writer's World: Paragraphs and Essays* by Lynne Gaetz and Suneeti Phadke. Volume four, *The Writer's World: Reading Strategies and Selections*, offers tips, readings, and follow-up questions to the twenty-eight reading selections. Students learn how to write by observing and dissecting what they read and will have ample opportunity to practice these skills with the thematic reading selections.
