An Introduction to Nigerian Traditional Architecture: South-West and Central Nigeria Zbigniew R. Dmochowski, 1990 **Routledge Handbook of Critical African Heritage Studies** Ashton Sinamai, John D. Giblin, Shadreck Chirikure, Ishanlosen Odiaua, 2024-09-06 This handbook is a foundational reference point for critical heritage research about Africa and its diaspora Foregrounding the diversity of knowledge systems needed to examine heritage issues in such a diverse continent the contributors to this volume argue for an understanding heritage that is at once both natural and cultural tangible and intangible political and dissonant going beyond the physical and objective to include subjective narratives performances rituals memories and emotions examine the pre coloniality

coloniality post coloniality and decoloniality of current African heritage discourses and their consequences analyse how heritage legislation derived from colonial law is compatible or otherwise with how heritage is perceived identified and remembered in African communities discuss questions of repatriation restitution and reparations in relation to the return of artefacts from Western countries illuminate the importance of difficult heritage within Africa and its diaspora consider the role of heritage for development in Africa Making a crucial contribution to our understanding of African conceptions and practices of heritage this book is an important read for scholars of African Studies heritage and museum studies archaeology anthropology and history

Architecture in Global Socialism Łukasz Stanek, 2020-01-14 How socialist architects planners and contractors worked collectively to urbanize and develop the Global South during the Soviet era In the course of the Cold War architects planners and construction companies from socialist Eastern Europe engaged in a vibrant collaboration with those in West Africa and the Middle East in order to bring modernization to the developing world Architecture in Global Socialism shows how their collaboration reshaped five cities in the Global South Accra Lagos Baghdad Abu Dhabi and Kuwait City Łukasz Stanek describes how local authorities and professionals in these cities drew on Soviet prefabrication systems Hungarian and Polish planning methods Yugoslav and Bulgarian construction materials Romanian and East German standard designs and manual laborers from across Eastern Europe He explores how the socialist development path was adapted to tropical conditions in Ghana in the 1960s and how Eastern European architectural traditions were given new life in 1970s Nigeria He looks at how the differences between socialist foreign trade and the emerging global construction market were exploited in the Middle East in the closing decades of the Cold War Stanek demonstrates how these and other practices of global cooperation by socialist countries what he calls socialist worldmaking left their enduring mark on urban landscapes in the postcolonial world Featuring an extensive collection of previously unpublished images Architecture in Global Socialism draws on original archival research on four continents and a wealth of in depth interviews This incisive book presents a new understanding of global urbanization and its architecture through the lens of socialist internationalism challenging long held notions about modernization and development in the Global South

The Making of Museums in Nigeria Amanda H. Hellman, 2023-10-16 In November 1927 Kenneth Crosthwaite Murray 1902 1972 left his family home in West Sussex England to develop the art program in the British colony of Nigeria As he traveled the country Murray saw the cultural practices and craft production of Nigerian visual material under threat and decided to collect these pieces in order to preserve understand and perhaps console during a period of great change Murray and a few of his colleagues including Edward H Duckworth Bernard E B Fagg and Ekpo Eyo and the antiquities department that they founded built seven museums before independence established export policies began calling for the return of cultural heritage and developed excavation protocol This book captures the life and legacy of Murray whose efforts helped foster an understanding of Nigerian art and culture and explores the tension that arose among the colonial government officers and Nigerians who sought to build these cultural institutions

during the twilight years of the British Empire and the transition to a newly independent Nigeria *The Conservation of Decorated Surfaces on Earthen Architecture* L. Rainer (ed.), Angelyn Bass Rivera, 2006 For millennia people of all cultures have decorated the surfaces of their domestic religious and public buildings Earthen architecture in particular has been and continues to be a common ground for surface decoration such as paintings sculpted bas relief and ornamental plasterwork This volume explores the complex issues associated with preserving these surfaces Case studies from Asia Europe Africa the Middle East and the Americas are presented The publication is the result of a colloquium held in 2004 at Mesa Verde National Park Colorado co organized by the Getty Conservation Institute GCI and the National Park Service NPS The meeting brought together fifty five conservators cultural resource managers materials scientists engineers architects archaeologists anthropologists and artists from eleven countries Divided into four themes Archaeological Sites Museum Practice Historic Buildings and Living Traditions the papers examine the conservation of decorated surfaces on earthen architecture within these different contexts

Introduction To Nigerian Traditional Architecture Volume 2 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Introduction To Nigerian Traditional Architecture Volume 2 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Introduction To Nigerian Traditional Architecture Volume 2 has opened up a world of possibilities. Downloading Introduction To Nigerian Traditional Architecture Volume 2 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Introduction To Nigerian Traditional Architecture Volume 2 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Introduction To Nigerian Traditional Architecture Volume 2. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Introduction To Nigerian Traditional Architecture Volume 2. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Introduction To Nigerian Traditional Architecture Volume 2, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit

vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Introduction To Nigerian Traditional Architecture Volume 2 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
