Summary of Evan Wright's Generation Kill Everest Media, 2022-06-13T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 Recon Marines are the best and toughest in the Marine Corps They are trained to stealthily move behind enemy lines in teams of four to six men observe positions and avoid contact with hostile forces 2 The plan for the Marines in Iraq was to disregard sacred American military doctrine tenets The Americans would assault through the planned route and continue moving without pausing to establish rear security 3 The men in First Recon were to be Mattis's shock troops leading the way through much of the invasion They were never trained for an ambush hunting role but that's what they ended up doing **Generation Vet** Sue Doe, Lisa Lanstraat, 2014-04-15 Institutions of higher education are experiencing the largest influx of enrolled veterans since World War II and these student veterans are transforming post secondary classroom dynamics While many campus divisions like admissions and student services are actively moving to accommodate the rise in this demographic little research about this population and their educational needs is available and academic departments have been slower to adjust In **Generation Vet** fifteen chapters offer well researched pedagogically savvy recommendations for curricular and programmatic responses to student veterans for English and writing studies departments In work with veterans in writing intensive courses and community contexts questions of citizenship disability activism community campus relationships and retention come to the fore Moreover writing intensive courses can be sites of

Hella Nation Evan Wright,2016-10-24 Hella Nation charts Wright s deeply personal journey from his stark but sympathetic portrayals of sex workers in Porn Valley to his raw portrait of a Hollywood ber agent turned war documentarian and hero of America s far right Along the way he meets runaway teens in Hollywood earning corporate dollars as skateboard pitchmen radical anarchists plotting the overthrow of capitalism from tree sits in the Oregon rainforest and young American troops on the hunt for terrorists in the combat zones of the Middle East His subjects are people for whom The American Dream is either just out of grasp or something they have chosen to reject altogether Sometimes frightening usually profane and often darkly comic Hella Nation is Wright s meticulously observed tour of the jagged edges of all those other Americas hiding in plain sight

Viewing America C. W. E. Bigsby,2013-10-10 Christopher Bigsby explores the potential of television drama to offer a radical critique of American politics myths and values

David Simon's American City Mikkel Jensen,2024-03-12 This book examines the television serials created by influential showrunner David Simon The book argues that Simon s main theme is the state of the contemporary American city and that all of his serials barring one

about the Iraq War explore different facets of the metropolis Each series offers distinctly different visions of the American city but taken together they represent a sustained and intricate exploration of urban problems in modern America From deindustrialisation in *The Wire* and residential segregation in *Show Me a Hero* to post Katrina New Orleans in *Treme* and the transformation of the urban core in *The Deuce* David Simon's American city traces the urban through line in Simon's body of work Based on sustained analysis of these serials and their engagement with contemporary politics and culture David Simon's American city offers a compelling examination of one of television's most arresting voices *United States Naval Institute Proceedings*, 2004 **Contemporary Authors** Julie Mellors, 2005-09 A biographical and bibliographical guide to current writers in all fields including poetry fiction and nonfiction journalism drama television and movies Information is provided by the authors themselves or drawn from published interviews feature stories book reviews and other materials provided by the authors publishers *Business Week*, 2004 **From the Barrel of a Gun** Travis Benjamin Nelson, 2006 *The American Spectator*, 2005 **Broadcasting & Cable**, 2008 **The Book Review Digest**, 2004 **Los Angeles Magazine**, 2009 *Time* Briton Hadden, 2008
