SEO Made Simple for Teachers A Practical Guide to Building Topical Authority and Growing Your Online Presence Indigo Mercer, 2025-09-05 Search Engine Optimization SEO doesn't have to be overwhelming or overly technical. For teachers creating educational content whether through blogs, newsletters, courses, or resources, SEO is the key to reaching the right audience and building authority online. This book offers a clear, step-by-step playbook designed specifically for educators who want to grow their visibility without spending endless hours decoding complex jargon. You'll learn how to identify topics that establish authority, structure content for clarity, and use simple tools to boost rankings. Practical examples walk you through keyword research, content planning, and optimizing your posts for both search engines and readers. No gimmicks, just a straightforward process that works. By the end, you'll know how to position your content so it reaches the learners, parents, or professionals who need it most. If you've ever wanted to share your expertise widely while making your content discoverable, this guide provides the roadmap to make it happen.
