

# Pandora's Box

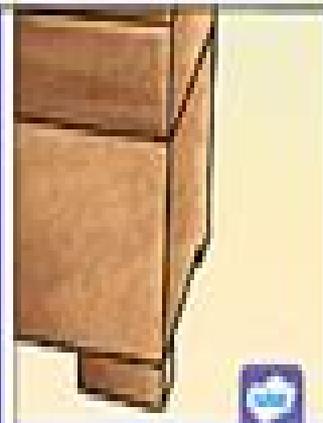

There lived two brothers named Epimetheus and Prometheus, sons of the good gods with very kind hearts. They were hidden far from mankind, never taking any food. Prometheus, with his

brother on the Isle of Lemnos lived as a blacksmith and Zeus was the god of the sky. Prometheus travelled to Earth and gave fire to man. He also taught them writing, medicine, mathematics

and music. He was punished for his kindness, chained to the rock of Atlas. He realized that the humans also needed fire and that the humans were creative when it came to a very cunning plan.

she opened the box and let all the evils upon the world, but she kept hope. She was the difference in the world.
