**Lingsheng Yao**

## **Lipsey And Chrystal Economics 10th Edition:**

**Advanced Economic Theory LPSPE** HL Ahuja, 2019 This authoritative and comprehensive text is an advanced treatise on microeconomics Featuring simplified mathematical treatment the book covers a wide spectrum of theories and concepts aimed at effective understanding of advanced economic theory This revised edition explores further the concept of economic efficiency and the concept of utility and its critique by Prof Amartya Sen It further includes an incisive analysis of Hicksian and Slutsky substitution effect The revision also includes important distinctions and critical analysis of several functions expositing the latest developments in the field

**Modern Microeconomics** HL Ahuja, The nineteenth edition of Modern Microeconomics continues to provide a detailed understanding of the foundations of microeconomics While it provides a solid foundation for economic analysis it also lucidly explains the mathematical derivations of various microeconomic concepts This textbook would be extremely useful for the students of economics

**Principles of Microeconomics, 22e** Ahuja H.L., 2022 The book makes a comprehensive and analytical study of theories of demand production cost and determination of price and output of products in different market structures It also discusses theory of factor pricing and income distribution as wages rent interest and profits Above all it critically analyses the conditions of economic efficiency and maximum social welfare and causes of market failures It takes a further lead with this revision by aligning its contents with the prescribed UGC model curriculum and new Choice Based Credit System CBCS syllabus

Principles of Economics Richard G. Lipsey, K. Alec Chrystal, 1999 Richard Lipsey and Alec Chrystal have rewritten their global bestseller to take account of the latest international developments whilst revising their core material to ensure students have the best possible grounding in economics

**China Upside Down** Man-houng Lin, 2020-03-23 Many scholars have noted the role of China's demand for silver in the emergence of the modern world This book discusses the interaction of this demand and the early nineteenth century Latin American independence movements changes in the world economy the resulting disruptions in the Qing dynasty and the transformation from the High Qing to modern China Man houng Lin shows how the disruption in the world's silver supply caused by the turmoil in Latin America and subsequent changes in global markets led to the massive outflow of silver from China and the crisis of the Qing empire During the first stage of this dynastic crisis traditional ideas favoring plural centers of power became more popular than they ever had been As the crisis developed however statist ideas came to the fore Even though the Qing survived with the resumption of the influx of Latin American silver its status relative to Japan in the East Asian order slipped The statist inclination although moderated to a degree in the modern period is still ascendant in China today These changes Qing China's near collapse the beginning of its eclipse by Japan in the East Asian order and shifting notions of the proper relationship between state and market and between state and society led to China upside down
