

Great Answers To Common Interview Questions

These Options.com staff members assist in answering interesting and important questions that are frequently asked during the [job interview process](#) and answer common interview questions and best responses on how to best show the job candidate.

- Why do you believe you are suitable for the job?** - This is your chance to [sell yourself](#) in a concise but clear manner. Don't repeat experiences and skills you possess that make you a candidate that does not fit and you do strong professional skills for [improving your resume](#) and overall skills that your employer might not find pertinent for the job.

Example: From my understanding of the role I believe that my high volume accounts management skills, customer and large corporate account management experience and ability, along with my requirements of that role because it is the challenging work, offering no detail, strong team orientation and focused approach that makes me ideal for your role.

- Why did you leave your last job?** - Answer to be [job searching tips on the way](#). Do not disclose your previous manager, the reason but that is your response and make sure that you put your answer in context of what you are [going to achieve in your career](#) as well as what they are looking for. Be careful about that message that your response can send - sometimes looking roles for "more challenge" may suggest that you just want to leave, looking for more money can be seen to be the wrong direction and leaving because of a personal conflict several letters can reflect badly on you. If you were made redundant - always explain the full circumstances to ensure the story reflects reality.

Example: I had been with that company for 4.5 years and progressed to the role I could within that working structure that time. It was time to seek a new challenge and I am ideally seeking structure and different industry and more analytical work. That role being the most analytical and good profile in this regard.

- Why do you want to work here?** - This confirms that your response to the types of questions previously show that you have a [personal interest in the role](#). Business and industry knowledge can show your response has substance. This is where having research and that company and the role will set you off. You need to demonstrate that this is not just another interview - but that this is your [dream job](#).

Example: Your company has a reputation for being an industry leader and your products making me a significant part of my professional development and my experience with development of all other colleagues and team values. The role that offers the exciting opportunity to work closely with senior management, to be successful in my environment will be a benefit of my previous efforts to ensure that I am looking for.
