Comparative Politics James Tyler Dickovick, Jonathan Eastwood, 2019 [A Functional Theory of Government, Law, and Institutions](#) Kalu N. Kalu, 2019-07-12 This book examines the notion that while states may differ in terms of ideology economic system and institutional architecture their role as an organizing framework for system wide political action and international relations is contingent on a series of competing and oftentimes mutually exclusive factors This work clarifies factors that contribute to our understanding of the critical roles of systemic and sub systemic elements of society and how they reinforce the reciprocal problems of human and social organizations and the institutionalization processes that help to constrain them **The Oxford Handbook of Nigerian Politics** A. Carl LeVan, Patrick Ukata, 2018 This volume is an authoritative and agenda setting examination of Nigerian politics [Real Being and Cultural-Humanistic Phenomena](#) John Zijiang Ding, 2026-02-16 This book explores perspectives from new comparativism and new dialogism to expand research horizons and develop a comprehensive multidimensional and multilevel research method and model By compiling recent research examples and case studies the author reconstructs and reevaluates various explanations integrating different ideas logically while presenting critical and forward looking concepts The work encourages discussions that span disciplines cultures and methodologies related to human existence It aims at individuals engaged in cultural interactions and those interested in rigorous approaches to identifying verifying clarifying and justifying philosophical issues The writing seeks to contribute meaningfully to multicultural and interdisciplinary educational goals The examination begins with an introduction to the Multidimensionality of East West Dialogues and proceeds to analytically compare specific focal issues alongside

relevant cultural and humanistic examples It also inquires into applied concepts such as Cosmopolitanism Rights Tolerance Conflict Love Death Beauty and even Martial Arts

The Political Ecology of Pakistan Gholam Mujtaba,2018-10-23
Pakistan is about to play a pivotal role in global politics Serving as a gateway to the Middle East and a conduit to Central and South Asia it will be a crucial partner as the United States contends with China s rise as an emerging global superpower and seeks to maintain its hegemony in the region The problem is for many people in the West Pakistan is somewhat of a black box with few Westerners understanding the country s complex history and current political reality The Political Ecology of Pakistan aims to change this by outlining the geopolitical history of Pakistan since the country gained independence in 1947 focusing in particular on the military s ongoing role in state affairs and the struggle for democracy to take root in the region In addition this book outlines Pakistan s improved economy internal security religious harmony equality of opportunity corruption free society and growing transparency and accountability all of which will make the country a vital partner in securing and maintaining peace in the region This information will be of interest to policymakers as well as those who are seeking to understand Pakistan s geopolitical significance
