Friction

1. A crate filled with delicious junk food rests on a horizontal floor. Only gravity and the support force of the floor act on it, as shown by the vectors for weight W and normal force n .
 - a. The net force on the crate is (zero) (greater than zero).
 - b. Evidence for this is no acceleration.

2. A slight pull P is exerted on the crate, not enough to move it.
 - a. The force of friction f acting on the crate is (less than) (equal to) (greater than) P .
 - b. The net force on the crate is (zero) (greater than zero).

3. Pull P is increased until the crate begins to move. It is pulled so that it moves with constant velocity across the floor.
 - a. Friction f is (less than) (equal to) (greater than) P .
 - b. Constant velocity means acceleration is (zero) (greater than zero).
 - c. The net force on the crate is (less than) (equal to) (greater than) zero.

4. Pull P is further increased and is now greater than friction f .
 - a. The net force on the crate is (less than) (equal to) (greater than) zero.
 - b. The net force acts toward the right, so acceleration acts toward the (left) (right).

5. If the pulling force P is 150 N and the crate doesn't move, what is the magnitude of f ? 150 N
6. If the pulling force P is 200 N and the crate doesn't move, what is the magnitude of f ? 200 N
7. If the force of sliding friction is 250 N, what force is necessary to keep the crate sliding at constant velocity? 250 N
8. If the mass of the crate is 50 kg and sliding friction is 250 N, what is the acceleration of the crate when the pulling force is 250 N? 0 m/s² 300 N? 1 m/s² 500 N? 5 m/s²

Explicit Direct Instruction (EDI) John R. Hollingsworth, Silvia E. Ybarra, 2017-09-07 A proven approach to better teaching and learning Explicit Direct Instruction EDI an approach based on the premise that all children can learn helps teachers deliver well designed well taught lessons that significantly improve achievement for all learners Authors Hollingsworth and Ybarra have refined and extended their highly successful methods in this second edition of their bestselling book Written in an easy to read entertaining style this resource provides K 12 teachers with concrete strategies detailed sample lessons and scenarios that illustrate what EDI techniques look like in inclusive and diverse classrooms With chapters covering the individual components of EDI such as checking for understanding and activating prior knowledge this updated edition refines the methods so that they are even more effective and easier to implement Readers will find Strategies for continuous systematized student engagement Expanded corrective feedback strategies Clear alignment to the latest content standards A new field tested strategy for skill development and guided practice Expanded information about differentiation and scaffolding Combining educational theory brain research and data analysis this is a fine tuned step by step guide to a highly effective teaching method Before EDI our school was a ship adrift at sea with everyone rowing in different directions EDI has provided us with a framework for instruction and a common language that allowed us to all row in the same direction Benjamin Luis Principal Liberty Middle School Lemoore CA EDI makes students accountable They see now that school is a place to work and learn and play and they love it Because even though it is hard they are doing well Trudy Cox School Instructional Coach St Mary Star of the Sea Catholic School Carnarvon Western Australia [The School Services Sourcebook, Second Edition](#) Cynthia Franklin, Mary Beth Harris, Paula Allen-Meares, 2012-11-27 The School Services Sourcebook covers every aspect of school service delivery arming practitioners with the nuts and bolts of evidence based practice The second edition has been significantly revised with a new structure including 73 chapters divided into five Parts across thirteen Sections with an additional six chapters included in an online section found on the book s companion website Fifteen new chapters cover key topics such as implementing an RTI framework positive behavioral supports school climate functional behavioral assessment the integration of ethics Autism and suicide school engagement military families Latino immigrant families classroom management transition planning and several chapters that speak to assessment and accountability Each chapter serves as a detailed intervention map quickly summarizing the problem area before presenting step by step instructions on how to implement an evidence based program with clear goals in mind and methods to measure the outcome The concise user friendly format from the first edition has been retained orienting readers to each issue with a Getting Started section then moves smoothly into What We Know What We Can Do Tools and Practice Examples and Key Points to Remember A new section Applying Interventions within Response to Intervention Framework has been added to each chapter to facilitate the implementation of an RTI model Quick reference tables and charts highlight the most important

information needed for daily reference and annotated lists of further reading and Web resources guide readers in gathering additional information to tailor their practice to suit their students needs Each chapter has been specifically crafted by leaders in their fields with the ultimate goal of giving school based practitioners the tools they need to deliver the best mental health and social services possible to students families and communities This sourcebook is an invaluable reference for all school based social workers psychologists counselors mental health professionals educators and administrators Visit the companion website for more information and to access additional book content URL [Metropolitan Transportation Planning Seminars](#) United States. Building Support for Scholarly Practices in Mathematics Methods Signe E. Kastberg,Andrew M. Tyminski,Alyson E. Lischka,Wendy B. Sanchez,2017-09-27 This book features contributions from over 40 mathematics teacher educators exploring how theoretical perspectives shape goals and activities for teaching PreK 12 methods It reflects on diverse experiences serving as a resource for MTEs to improve their practices through scholarly inquiry [Early Childhood Curriculum Resource Handbook](#) ,1993 [Resources in Education](#) ,1977 [Theoretical Nursing](#) Afaf Ibrahim Meleis,2011

An additional assumption was that the processes for theory development were new to nursing and hence nurses in graduate programs learned strategies for advancing knowledge from other disciplines This assumption was debunked with the knowledge that nurses were always engaged in knowledge development driven by their experiences in clinical practice Because of these assumptions most of the early writing about theory development was about outlining strategies that should be used rather than strategies that have already been used in the discipline to develop theories Theorists themselves did not uncover or adequately discuss ways by which they developed their theories therefore the tendency was to describe processes that were based on theories developed in other disciplines mainly the physical and social sciences And an implicit assumption was made that there should be a single strategy for theory development some claiming to begin the process from practice and others believing it should be driven by research Provided by publisher [Chinese Heritage Sites and their Audiences](#) Rouran Zhang,2020-03-17 Chinese Heritage Sites and their Audiences provides a Chinese perspective on tourists relationship to heritage Contributing to ongoing debates within heritage and tourism studies the book offers insights into how and why visitors engage with such sites Drawing on interviews with domestic tourists local residents and heritage officials at the World Heritage sites of West Lake Xidi and Hongcun Zhang argues that tourists have agency when they visit heritage sites they are doing cultural social and emotional work whilst also negotiating cultural meanings Providing an examination of the complex interactions between locals and tourists the author then considers how tourists navigate and interpret heritage sites Finally Zhang examines whether the government or locally controlled tourism enterprises are more effective in facilitating meaningful cultural interaction between tourists and locals Overall the book demonstrates the interrelation between tourism and heritage and the tensions that are created when the ways in which sites are used differ

from the expectations of UNESCO and national or regional site managers Chinese Heritage Sites and their Audiences pays particular attention to ongoing debates about heritage performances the importance of emotions and the agency of tourists and will thus appeal to academics and students engaged in the study of heritage tourism landscape architecture and anthropology
