

VectorCalculus

SIXTH EDITION

The cover features a dark, space-themed background. In the center, the Earth is visible as a dark, curved horizon line. Above it, the Moon is shown in a similar curved profile, with its surface craters and texture clearly visible. A bright, glowing sun is positioned directly behind the Earth's horizon, creating a lens flare effect and illuminating the scene. The overall composition is centered and symmetrical, evoking a sense of celestial geometry.
