With Thomas Merton Thomas P. McDonnell, 1985-09-04 A meditation a day from Thomas Merton This convenient day book is a compendium of inspiring passages from the writings of one of this century's spiritual giants It offers daily challenges for thoughtful meditation intended to stimulate provoke and lead to grace Here are some enduring thoughts found in these pages We cannot be happy if we expect to live all the time at the highest peak of intensity Happiness is not a matter of intensity but of balance and order and rhythm and harmony Every moment and every event of every man's life on earth plants something in his soul Nothing is more suspicious in a man who seems holy than an impatient desire to reform other men Pay as little attention as you can to the faults of other people and none at all to their natural defects and eccentricities The wise heart lives in Christ Wisdom manifests itself and yet is hidden The more it hides the more it is manifest and the more it is manifest the more it is hidden For God is known where he is apprehended as unknown and he is heard when we realize that we do not know the sound of his voice God utters me like a word containing a partial thought of himself Our full spiritual life is life in wisdom life in Christ The darkness of faith bears fruit in the light of wisdom Love cannot come of emptiness It is full of reality

Thomas Merton--Evil and Why We Suffer David E. Orber, 2018-06-18 Thomas Merton is one of the most important spiritual voices of the last century He has never been more relevant as new generations look to him for guidance in addressing some of life's biggest questions how can we find God how should we engage with other faiths and how can we oppose violence and injustice Looking carefully one can find tucked away in Merton's prodigious writings his response to another timeless question Why do we suffer Why does an all powerful and all loving God permit evil and suffering By carefully examining all of Merton's work we find that he repeatedly confronted this question throughout most of his adult life Intriguingly Merton's approach to this question changed dramatically a few years before he died in 1968 An examination of all aspects of his life yields evidence that Merton's immersion in Zen during this time contributed most to that change

Thomas Merton, Prophet in the Belly of a Paradox Gerald Sean Twomey, 1978 Thomas Merton James Thomas Baker, 2014-07-11 Thomas Merton Social Critic organizes and critically analyzes the social thought of the Cistercian monk who has become an internationally known symbol of the spiritual element in man The author evaluated all of Merton's writings published and unpublished then discussed his interpretations with Merton personally The result is a perceptive relation of Merton's social thought to its genesis in his own life experiences and contemplation a faithful rendering of Merton's thought on the problems of our time Merton the author makes clear called for a spiritual social and religious union It was a poetic and sometimes unimplemented solution to alienation and division a valid and authentic if at times limited response to the contemporary chaos This study will be greeted by a strong reaction from Mertonians everywhere *Witness to Freedom* Thomas Merton, 1994 These letters deal with periods of serious crisis in Merton's life and vocation about which many rumors and half truths were circulated during his lifetime They give readers for the first time in his own words the true details and the behind the scenes facts Things came to a head in 1959 when Merton petitioned the Vatican asking for an indult of

exclaustration or release not from the Trappist Order but for a more solitary primitive existence in a monastic life outside the United States Abbot James Fox made a trip to Rome and the indult was not granted Later Merton who despised Communism and advocated Gandhian non violence was forbidden to publish anything against war and nuclear aggression as if it was inappropriate for a monk to oppose war
