ESSENTIAL MATHEMATICS

2

This is the second of the three-book series recently revised to cover the entire topics in Senior Secondary School Mathematics Curriculum. The series follows the dictates of the new Nigerian Educational Research and Development Council (NERDC) Curriculum. The contents are integrated in such a way that the students readily and gradually build up their knowledge and understanding of the essential principles of mathematics as they progress through secondary school education.

Main features:

- clear learning objectives which are included at the beginning of every chapter;
- teaching and learning materials that will assist students to learn better;
- extensive explanation of mathematical principles in an easy-to-understand format that captures the interest of the students from the beginning to the end;
- numerous illustrations to inspire the desire to learn;
- a comprehensive range of graded practice exercises with answers;
- numerous worked examples (usually using more than one method) to give students a deeper understanding of the subject area;
- summary at the end of every chapter allowing for self-check;
- quantitative reasoning (qr) and puzzles which are occasionally included to build intelligence and encourage critical thinking;
- some revision tests/chapters consisting of both multiple choice and theory questions in the same manner as the Senior Secondary Certificate of Education (SSCE) examinations.
