

Tenth Edition

The cover features a complex, layered illustration. At the top, a large tree trunk is visible. Below it, several human faces are depicted in various orientations and states of consciousness. One face is shown in profile with eyes closed, another is looking forward with eyes closed, and a third is looking forward with eyes open. The faces are partially obscured by horizontal, semi-transparent bands. The background is a textured, greenish-yellow color with faint geometric shapes like circles and squares. Various natural elements are scattered throughout, including a blue butterfly, a red flower, a yellow butterfly, and a bird. The overall composition suggests a connection between nature, human psychology, and the concept of abnormality.
