

Generally found inside larger masses of rock (under the Earth's surface), crystals and other mineral stones are used in magic for everything from protection to dynamism to manifesting wealth and love.

Since the beginning of recorded history, people have delighted in the beauty of naturally occurring crystals found deep in the Earth. The ancient peoples of Egypt, Greece, Rome, China, Japan, India, and South and Central America used crystals not just in amulets and other jewelry, but also in religious art, weaponry, and healing.

Over the past several decades, the popularity of crystals in healing and the magical arts has seen a resurgence. This is especially true in Wiccan circles, with practitioners benefiting from the energetic power of crystals and stones during spellwork.

Wiccans use crystals in a multitude of ways: we decorate our wands and pentacles with crystals; we use them to honor deities; we use them in amulets, talismans, and other 'good luck' charms.

Not forgetting the main purpose of this very guide: crystals and stones are a powerful component of spellwork.

Wicca Crystal Magic will teach you the *whys* and *hows* of crystal magic, so that you can improve their lives in all the important areas – love, health, and wealth.

By reading this book, you will learn about the human connection with crystals throughout the ages; the difference between crystals, stones, and minerals; and where crystals get their magical powers from.

You will learn about the magical properties of many popular crystals; how to choose your own; and how to cleanse, clear, and charge your crystals.

Finally, you will be provided with a selection of practical magic spells, each targeting a specific area of your life – including love, money, health, employment, and happiness.

In other words, *Wicca Crystal Magic* will teach you everything you need to know to start practicing crystal magic, today!
