Yakshi:

RETURN OF THE YAKSHI Ajit Mani, 2019-09-22 Return of the Yakshi is a story of friendship idealism love and a brief but violent revolution that was followed by the passing of land reform legislation in Kerala It explores the psyche of Urban Naxals who get involved in dangerous activities labelled as seditious at the risk of their lives Although the story is complete fiction it has a historical setting where the author has taken creative liberties with incidents characters dates and sequence of events With the prospect of the declaration of Emergency in 1975 the protagonist Suresh is forced to leave Kerala and travel to Pamban Island located between India and Sri Lanka living in exile till 1977 The story suggests a scenario involving a highly probable nexus between the Naxals of Kerala the LTTE in Sri Lanka and the ivory smuggler Veerappan The story highlights the helplessness of the tribals of Kerala against the might of the State that appropriated their forests while the LTTE used asymmetrical warfare and suicide bombers to fight for their homeland

Encyclopedia of New Populism and Responses in the 21st Century Joseph Chacko Chennattuserry, Madhumati Deshpande, Paul Hong, 2024-12-02 This book mainly seeks to explain define and update the recurring forms of populism in the 21st century Examples used in this Introduction are limited to English speaking countries But populism s existent expressions are ecumenically global Like any long lasting perennial organism it is sturdy and comes in a variety of forms adaptable to environmental changes In political or cultural terms its expression has been neither exclusively left center nor right Populism contains multitudes dates back centuries before it was identified with its modern name Populism has become a hot button issue in the recent times The UK s Sunday heavy The Guardian published about 300 articles in 1998 that used the term populism or populist and by 2016 its use had skyrocketed to over 2 000 And growing Probably the single greatest catalyst to date that injected populism into the world s Internet common discourse that infused it into journalism right left and center and awakened populist political activism was the Great Recession of 2007 08 and the subsequent global deprivations it engendered In today s world populism promises to remain and renew its intensity due to the covid 19 pandemic s deleterious effects on most nations middle and low income groups specially minorities These are some reasons among many why it is time for populism to be relocated identified and given refreshed 21st understandings It has a shifting nature among people events causes that constantly demands fresh studies It is a social and cultural phenomenon both universal and particular In our 21st century world it is a product of our shared cultures and each our own exceptional deep culture This Encyclopedia is unique in its composition as it includes all the major disciplines of Social Sciences and thus will be a one stop source of nine different disciplines looking at new populism

U.S.S.R. and Certain Neighboring Areas; Official Standard Names Approved by the United States Board on Geographic Names United States. Office of Geography, 1959 *The Figure of the Monster in Global Theatre* Michael M. Chemers, Analola Santana, 2024-10-09 Bringing together international perspectives on the figure of the monster in performance this edited collection builds on discussions in the fields of posthumanism bioethics and performance studies The

collection aims to redefine monstrosity to describe the cultural processes by which certain identities or bodies are configured to be threateningly deviant whether by race gender sexuality nationality immigration status or physical or psychological extraordinariness The book explores themes of race white supremacy and migration with the aim of investigating how the figure of the monster has been used to explore representations of race and identity To these we add discussions on gender queer identities and how the figure of the monster has been used to explore the gendered body to finally understand how monstrosity intersects with contemporary issues of technology and the natural world Navigating the fields of disability studies performance centered monster studies and representation in performance editors Michael M Chemers and Analola Santana have brought together perspectives on the figure of the monster from across a variety of fields that intersect with performance studies This book is essential reading for Theatre and Performance students of all levels as well as scholars It will also be an enlightening text for those interested in monstrosity and Cultural Studies more broadly
