Zero Zero Zero Saviano:

ZeroZeroZero Roberto Saviano,2015-07-14 Zero zero zero flour is the finest whitest available Zero zero zero is also the nickname among narcotraffickers for the purest highest quality cocaine on the market And it is the title of Roberto Saviano s unforgettable exploration of how the cocaine trade knits the world into its dark economy and imposes its own vicious rules and moral codes on its armies and through them on us all Saviano s Gomorrah his explosive account of the Neapolitan mob the Camorra was a worldwide publishing sensation It struck such a nerve with the Camorra that Saviano has lived with twenty four hour police protection in the shadow of death threats for more than seven years During this time he has become intimate with law enforcement agencies around the world Saviano has broadened his perspective to take in the entire global corporate entity that is the drug trade in cooperation with law enforcement officials who have fed him information and sources and used him to guide their own thinking and tactics Saviano has used this extraordinary access to feed his own groundbreaking reportage The result is a truly amazing and harrowing synthesis of intimate literary narrative and geopolitical analysis of one of the most powerful dark forces in the global economy In Zero Zero Zero Saviano tracks the shift in the cocaine trade s axis of power from Colombia to Mexico and relates how the Latin American cartels and gangs have forged alliances first with the Italian crime syndicates then with the Russians Africans and others On the one hand he charts an astonishing increase in sophistication and diversification as these criminal entities diversify into many other products and markets On the other he reveals the threat of violence to protect and extend power and how the nature of the violence has grown steadily more appalling Saviano is a journalist of rare courage and a thinker of impressive intellectual depth and moral imagination able to see the connections between far flung phenomena and bind them into a single epic story Most drug war narratives feel safely removed from our own lives Saviano offers no such comfort As heart racing as it is heady Zero Zero Zero is a fusion of a variety of disparate genres into a brilliant new form that can only be called Savianoesque Zero Zero Zero Roberto Saviano,2015-07-02 In Zero Zero Zero Roberto Saviano maps the international cocaine trade He investigates the evolution of cocaine trafficking from Mexican drug cartels to money laundering through Wall Street Tracking cocaine s physical journey from South America to the beaches of Miami and the streets of New York and on to Africa and throughout Europe and even further to China and India Saviano follows the human trail of users victims and traffickers First hand accounts will show how the global sale and consumption of cocaine has radically altered economies over recent decades and has impacted societies globally With these stories Saviano makes a secret world readable **Summary of Roberto Saviano's Zero Zero Zero** Everest Media,2022-05-16T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The people who use cocaine are right next to you The police officer who is about to pull you over has been snorting for years and everyone knows it 2 I was asked to write about a speech that had been recorded on an iPhone at a meeting The police wanted to know if the story went the way the young man said it had or if it had been staged 3

The police officer told me that the young man his informant had heard the only valuable lesson how to be in the world and had recorded it on the sly If I wrote about it and nobody did anything it would prove that the young man was telling the truth
4 The police officer read me the transcript he d made They d met in a room not far from where we were randomly seated not in a horseshoe like they do at ritual initiations The old Italian began speaking without even introducing himself

Postcolonial City Maria Ridda,2022-11-21 This book investigates the literary imaginings of the postcolonial city through the lens of crime in texts set in Naples and Mumbai from the 1990s to the present Employing the analogy of a black hole it posits the discourse on criminality as a way to investigate the contemporary spatial manifestations of coloniality and global capitalist urbanity Despite their different histories Mumbai and Naples have remarkable similarities Both are port cities gateways to their countries and regional trade networks and both are marked by extreme wealth and poverty They are also

the sites and symbolic battlegrounds for a wider struggle in which the North exploits the South and the South fights back As one of the characters of the novel *The Neapolitan Book of the Dead* puts it a narrativisation of the underworld allows for a discovery of a different city from its forgotten corners Crime provides a means to understand the relationship between space and society culture in a number of cities across the Global South by tracing a narrative of postcolonial urbanity that exposes the connections between exploitation and the ongoing coloniality of power

Italian Crime Fiction in the Era of the Anti-Mafia Movement William Farina, 2020-03-13 Over the last three decades Italian crime fiction has demonstrated a trend toward a much higher level of realism and complexity The origins of the New Italian Epic as it has been coined by some of its proponents can be found in the widespread backlash against the Mafia sponsored murders of Sicilian magistrates which culminated with the assassinations of Judges Giovanni Falcone and Paolo Borsellino in 1992 Though beginning in the Italian language this prolific popular movement has more recently found its way into the English language and hence it has found a much wider international audience Following a brief yet detailed history of the cultural and economic development of Sicily this book provides a multilayered look into the evolution of the New Italian Epic genre The works of ten prominent contemporary writers including Andrea Camilleri Michael Dibdin Elena Ferrante and Massimo Carlotto are examined against the backdrop of various historical periods This past is prologue approach to contemporary crime fiction provides context for the creation of these recent novels and enhances understanding of the complex moral ambiguity that is characteristic of anti mafia Italian crime fiction

How Did Britain Come to This? Gwyn Bevan, 2023-10-23 If every system is perfectly designed to get the results it gets what is wrong with the design of the systems that govern Britain And how have they resulted in failures in housing privatisation outsourcing education and healthcare In *How Did Britain Come to This* Gwyn Bevan examines a century of varieties of systemic failures in the British state The book begins and ends by showing how systems of governance explain scandals in NHS hospitals and the failures and successes of the UK and Germany in responding to Covid 19 before and after vaccines became available The book compares geographical fault lines and inequalities in Britain with those that have developed in other European countries and argues that the causes of Britain's entrenched inequalities are consequences of shifts in systems of governance over the past century Clement Attlee's postwar government aimed to remedy the failings of the prewar minimal state while Margaret Thatcher's governments in the 1980s in turn sought to remedy the failings of Attlee's planned state by developing the marketised state which morphed into the financialised state we see today This analysis highlights the urgent need for a new political settlement of an enabling state that tackles current systemic weaknesses from market failures and over centralisation This book offers an accessible analytic account of government failures of the past century and is essential reading for anyone who wants to make an informed contribution to what an innovative capable state might look like in a post pandemic world
