Systematic Theology through the Spiritual Eye Volume IV Apostle Charles Frederick Tolbert, DivM, EdM, EdD, Retired US Army, 2024-10-28. Systematic theology is a discipline of Christian theology that formulates an orderly, rational and coherent account of the doctrines of the Christian faith. It addresses issues such as what the Bible teaches about certain topics or what is true about God and his universe. Our intention is to bring ministries into a global virtual reality hybrid school/university system where there is homeschooling, teaching in the assembly and combining it in the classrooms with on the job training. Walking Your Vision University teaching is systematic theology. There are 195 countries in which we will expand this training over the period of five to ten years. The above paragraph is the summation of our mission statement. www.cfacs.com, info.cfacs.com.
