ABSTRACT:

This paper entitled "Kaizen : A case study in small scale organizations" concerns with the cost reduction by some modification in processes of small scale industries. The Paper also focuses on the improvements that can give the minimum rejection level of the products. In this paper some data's are collected by experimenting specially in the wire harness manufacturing companies for automotive vehicles. Here are some modifications by implementing these in the same industries the quality of the products can be improved. By adapting these Kaizen techniques the processes can be made more efficient and effective.

Key words: Kaizen, cost reduction, Minimum rejection, continuous improvements

1. INTRODUCTION:

Kaizen is a Japanese word for the philosophy that defines management's role in continuously encouraging and implementing small improvements involving everyone. It is the process of continuous improvements in small increments that make the process more efficient, effective, under control and adaptable. Improvements are usually accomplished at little or no expenses, without sophisticated techniques or expensive equipments. It focuses on the simplification by breaking down complex processes into their sub-processes and then improving them.

For the paper we have completed some experiments before and after the improvements and modifications in process, data are collected before and after modifications and on the basis of these information's the cost and rejection levels of the products are identified. Then we did calculations on standards cost basis. After calculations some conclusions are find out that are represented with the help of graph and tables. Some examples of kaizen improvements in wire harness manufacturing companies and their effect on cost and rejections levels are shown with the graphs and tables. To find out the results the certain procedure is followed.

Kaizen A Case Study In Small Scale Organizations:

Adopting the Track of Term: An Psychological Symphony within **Kaizen A Case Study In Small Scale Organizations**

In a world used by monitors and the ceaseless chatter of quick transmission, the melodic splendor and emotional symphony produced by the prepared term frequently disappear into the back ground, eclipsed by the persistent noise and disruptions that permeate our lives. However, situated within the pages of **Kaizen A Case Study In Small Scale Organizations** a wonderful fictional value brimming with fresh emotions, lies an immersive symphony waiting to be embraced. Constructed by an elegant composer of language, that charming masterpiece conducts viewers on a psychological journey, skillfully unraveling the hidden melodies and profound affect resonating within each cautiously constructed phrase. Within the depths of the emotional review, we shall investigate the book is key harmonies, analyze their enthralling publishing fashion, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
