

faber and faber

Photo by Nigel Parry

Written with characteristic Berkoff flair and an understanding of the subtle power and violence of the English language, this second collection of his plays includes *Decadence*, described by the *Guardian* as being 'enthused with Berkoff's violent, imagist, vivid wordplay'.

Decadence

'Imagine cartoons by Thelwell drawn by Scarfe and you have a good idea of Steven Berkoff's vision of the upper classes.' *Evening Standard*

Kvetch

'A work of genius, pure and simple.' *Guardian*

When *Actor* and *Dog* were presented by Berkoff as part of a one-man show, *Today* commented: 'As radical and skilled as the best alternative comedian, with the magic of Marcel Marceau and incalculable dramatic depths, Mr Berkoff is a one-off man.' And from the *Daily Mail*: 'There is no one like Berkoff and there'll never be another.'
