## **Descriptosaurus Supporting Creative Writing For Ages 8 14:**

**Descriptosaurus** Alison Wilcox, 2008-11-11 Descriptosaurus is the first book for creative writing that is a thematic expansion of a dictionary and a thesaurus. It provides children with a comprehensive resource with which to expand their descriptive vocabulary, experiment with language and sentence structure, and build up narratives based around the following areas: Settings, landscapes, settlements, and atmospheres; Characters, appearance, emotions, and personality; Creatures, appearance, abilities, and habitats. This model was created as a result of feedback from children as to the resources they required to inspire and assist them with their writing. For reluctant writers or those faced with blank page syndrome, Descriptosaurus provides useful starting points to encourage putting pen to paper. Using Descriptosaurus will not only inspire children, it will build their confidence and dramatically improve the content of their writing.
