Fuck Feelings:

F*ck Feelings Michael Bennett, MD, Michael Bennett, Sarah Bennett, 2015-09 The only self help book you ll ever need from a psychiatrist who will help you put aside your unrealistic wishes stop trying to change things you can t change and do the best with what you can control the first steps to solving all of life s impossible problems *Seven Year Itch* Amy Daws, 2025-06-17 Deliciously funny and spicy Elsie Silver New York Times bestselling author *Alone and Looking to Bone Loudmouthed Mountain Man Seeks Fiery Woman to Grow Old With* I might look like a tall tattooed bearded neanderthal but like an onion I have layers Swipe right if you like a proud cat daddy who catches feelings after direct eye contact All I wanted was a casual plus one to my brother s destination wedding but those idiots on my family tree hacked my dating profile and sabotaged my quest for the perfect weekend fling Now I m stuck on a tropical vacation with only my hand to keep me company Until I m forced to share a room with the bane of my existence my sister in law s best friend Dakota has hated me for the past seven years I wasn t losing much sleep over her screaming rants because she was some other guy s problem Or she was until she got divorced Being stuck in paradise with a woman who loathes your very existence doesn t sound hot but after an unexpected moment in our shared palapa she starts screaming at me in a different way What happens in paradise stays in paradise That is until Dakota shows up on my mountain with a proposition be her wingman to help her regain her pre divorce confidence Suddenly Dakota s not just the person I love to fight with She s the woman I want everything with Perfect for fans of *Enemies to Lovers* *Small Town Romance* *Vacation Romances* *Quirky Animals* *Meddling family* Meghan Quinn and Tessa Bailey *Life Through My Window* Anshul, 2024-10-23 In recent years many have encouraged me to write a book While I identify more as a writer than a traditional author I felt a deep calling to create something truly unique a heartfelt collection of poetry These poems celebrate the beauty of everyday life each accompanied by a story that resonates with themes of love nature loss and joy Each piece captures fleeting moments inviting reflection and connection My hope is that these words resonate with our shared experiences offering comfort and inspiration as we journey through them together Join me in this journey to find extraordinary within the ordinary as we learn to love this life together **Lovely Vines** Tondria Leatrice, 2020-09-23 Samaya and Queen tried letting their past go but money was their main focus and it controlled their minds literally letting their innocence go to the streets and the shiny pole wasn t shit to them When they ran into one of the many wealthy families they betrayed in a long time of come ups the scheme had them running The love for the easy money blinded them from what fake or the real love the men were trying to give so going with the flow slowed them all the way down into hiding Holding on to their upbringing of not having shit made them run from family fuck over friends and themselves at the same time doing dumb shit Trying not to lose everything they hustled for made them hustle harder and hit licks The easy money made them unstoppable at coming up with schemes that almost brought them to life and death situations many times *Side Affects* Hil Malatino, 2022-04-19 How the bad feelings of trans experience inform trans

survival and flourishing Some days or weeks or months or even years being trans feels bad Yet as Hil Malatino points out there is little space for trans people to think through let alone speak of these bad feelings Negative emotions are suspect because they unsettle narratives of acceptance or reinforce virulently phobic framings of trans as inauthentic and threatening In *Side Affects* Malatino opens a new conversation about trans experience that acknowledges the reality of feeling fatigue envy burnout numbness and rage amid the ongoing onslaught of casual and structural transphobia in order to map the intricate emotional terrain of trans survival Trans structures of feeling are frequently coded as negative on both sides of transition Before transition narratives are framed in terms of childhood trauma and being in the wrong body Posttransition trans individuals especially trans people of color are subject to unrelenting transantagonism Yet trans individuals are discouraged from displaying or admitting to despondency or despair By moving these unloved feelings to the center of trans experience *Side Affects* proposes an affective trans commons that exists outside political debates about inclusion Acknowledging such powerful and elided feelings as anger and exhaustion Malatino contends is critical to motivating justice oriented advocacy and organizing and recalibrating new possibilities for survival and well being

My Three Sided Story Brooklyn Elsie,2018-07-25 *My Three Sided Story* tells of the potency of new love the destruction of heartbreak and the recovery and renewal afterwards These poems explore what it feels like to surrender to love the excitement the vulnerability the longing and how a hometown can transform into a backdrop for a relationship They lure you into the colourful spark of young relationships ripe with lust and exploration and capture the turmoil and sometimes trepidation of sinking into an existence with that other person More than anything *My Three Sided Story* offers poems about those days weeks and months when a relationship splinters and pulls apart and the pain and confusion that comes from losing someone you care about It tells of the slow process of being put back together letting go and loving yourself instead These poems are at once raw dark hopeful and bright a read for anyone in the throes of heartbreak and renewal

Riding the Pain Zen,2022-05-25 *Riding The Pain* is a collection of monologues which explore define and thought provoke the reader into questioning their stance on the subject matter

The Devil Wears Timbs 2 Tranay Adams,2018-10-15 After completing a blood assignment FEAR shows up to collect what he is owed and runs head on into trouble he thought was left far in the past This new turn of events puts him at odds with the most powerful opponent he could imagine and the stakes become life or death With his back against the wall Fear must speed up the process of inducting Eureka and Anton into the ranks of L O E Loyalty Over Everything But will Anton and Eureka s loyalty help Fear prevail against his enemies or will their loyalty to one another turn them against him Amidst this heart thumping blood racing battle lies an unforeseen enemy who s like Satan reincarnated As the duplicitous plot unfolds who will find themselves Baptized in Unholy Water when the masks comes off and the fact is unveiled that THE DEVIL WEARS TIMBS
