## **Gender Poverty Reduction And Migration World Bank:**

Indian Skilled Migration and Development Gabriela Tejada, Uttam Bhattacharya, Binod Khadria, Christiane Kuptsch, 2014-04-07 This edited contribution explores strategies and measures for leveraging the potential of skilled diasporas and for advancing knowledge based evidence on return skilled migration and its impact on development By taking the example of Indian skilled migration this study identifies ways of involving returned skilled migrants in home country development as well as proposes approaches to engage the diaspora in development As high skill immigration from India to mainland Europe is a rather recent phenomenon the activities of Indian professionals in Europe are under researched The findings have wider application in contributing to the policy dialogue on migration and development specifically to the advantage for developing and emerging economies The book employs an interdisciplinary two fold approach The first part of the research looks at how international exposure affects the current situation of skilled returnees in India The second European part of the research examines migration policies labour market regulations and other institutional settings that enable or hinder skilled Indians links with the country of origin Structural differences between the host countries may facilitate different levels of learning opportunities thus this book identifies good practices to promote the involvement of Indian skilled diaspora in socio economic development In applying the framework of diaspora contributions as well as the return channel to study the impact on India the book draws on qualitative and quantitative research methods consisting of policy analysis in depth interviews with key experts and skilled migrants and on data sets collected specifically for this study

**Gender, Law and Justice in a Global Market** Ann Stewart, 2011-08-25 Theories of gender justice in the twenty first century must engage with global economic and social processes Using concepts from economic analysis associated with global commodity chains and feminist ethics of care Ann Stewart considers the way in which gender contracts relating to work and care contribute to gender inequalities worldwide She explores how economies in the global north stimulate desires and create deficits in care and belonging which are met through transnational movements and traces the way in which transnational economic processes discourses of rights and care create relationships between global south and north African women produce fruit and flowers for European consumption body workers migrate to meet deficits in affect through provision of care and sex British Asian families seek belonging through transnational marriages **Shaping Policy**

**Agendas** David Dolowitz, Magdaléna Hadjiisky, Romuald Normand, 2020-01-31 This fascinating book investigates the strategic importance of the production and dissemination of expertise in the activities of the international organizations IOs that have come to symbolize the dominance of the Western political and economic order **World Bank Research Program** World Bank, 2008 *The SAGE Handbook of Feminist Theory* Mary Evans, Clare Hemmings, Marsha Henry, Hazel Johnstone, Sumi Madhok, Ania Plomien, Sadie Wearing, 2014-08-12 At no point in recorded history has there been an absence of intense and heated discussion about the subject of how to conduct relations between women and men This Handbook provides a

comprehensive guide to these omnipresent issues and debates mapping the present and future of thinking about feminist theory The chapters gathered here present the state of the art in scholarship in the field covering Epistemology and marginality Literary visual and cultural representations Sexuality Macro and microeconomics of gender Conflict and peace The most important consensus in this volume is that a central organizing tenet of feminism is its willingness to examine the ways in which gender and relations between women and men have been and are organized The authors bring a shared commitment to the critical appraisal of gender relations as well as a recognition that to think theoretically is not to detach concerns from lived experience but to extend the possibilities of understanding With this focus on theory and theorizing about the world in which we live this Handbook asks us across all disciplines and situations to abandon our taken for granted assumptions about the world and interrogate both the origin and the implications of our ideas about gender relations and feminism It is an essential reference work for advanced students and academics not only of feminist theory but of gender and sexuality across the humanities and social sciences

*Gender Research in Natural Resource Management* Malika Abdelali-Martini, Aden Aw-Hassan, 2013-12-17 The aim of this book is to highlight the role that gender research can play in understanding natural resource management and rural development issues in the Middle East and North Africa region and how hands on training and mentoring can be used as a capacity enhancement approach It presents findings of four research teams working in three countries Algeria Lebanon and Morocco The approach was to build the capacity of national teams through hands on field research mentoring and technical support which is different from traditional training The chapters present the results of the case studies used as learning platforms for the teams and reflections on this approach The case studies demonstrate the capacity and skills that the teams have acquired These teams were multi disciplinary and included social scientists as well as specialists in water management livestock production and rangelands and agronomy The book provides grounded empirical examples for MENA academics practitioners and development students concerned about ensuring gender balanced rural development
