

Comparative Essay Example

'HANNIBAL' AND 'SHERLOCK': SUPERIORITY OF CHARACTER DEVELOPMENT

Some TV shows gain such immense popularity that almost everyone has heard of them. 'Hannibal' and 'Sherlock' are a good example of this phenomenon. They are both critically acclaimed as well as character-focused shows, but their quality differs, which can be seen on the development of Will Graham and John Watson respectively. Character development in 'Hannibal' TV show is more realistic than that in 'Sherlock' because the protagonists act more consistently and the end-goal of their growth corresponds to what was implied at the beginning.

Protagonists in 'Hannibal' behave more consistently than they do in 'Sherlock'. From the first season of 'Hannibal', Graham is portrayed as person who wants to be good but who is murderer at heart. Watson, on the contrary, is shown as hero who can kill another person but who is always motivated by noble goals. Later, though, while Graham becomes darker with each subsequent season, Watson loses his ideals. He turns unrecognizable without any apparent reason. When he was ready to sacrifice everything for his partner Sherlock before, eventually, he joyfully beats him up when he is weakened physically. This way, Will's development is consistent while that of John has no logical basis.

Development of these characters can be traced throughout all seasons, but at the end of both shows, they arrive at different points. Graham becomes full-fledged murderer who can no longer hide that he enjoys killing, which corresponds to initial idea of 'Hannibal' introduced back at its start. Unlike him, Watson regresses. Instead of becoming more noble and mature as it was implied in the first seasons of 'Sherlock', he suddenly turns into monster who is incapable of critical thinking, forgives murder of innocents, engages in brutality. Thus, 'Hannibal' fulfilled its goal regarding character development while 'Sherlock' forgot about its own plans.

Both 'Hannibal' and 'Sherlock' are interesting shows but the former is superior. Its characters are more believable and stay true with its initial ideas. Therefore, 'Hannibal' does considerably better job in developing its protagonists.
