[Leading, Managing and Developing People](#) Gary Rees, Raymond French, 2016-04-15. *Leading, Managing and Developing People* is critical reading for all those studying the CIPD Level 7 Advanced module in *Leading, Managing and Developing People* as well as all HR and LD practitioners. It provides extensive coverage of the aims, objectives, and contribution of HRM, such as the scope and nature of human resources, HR's role when organisations grow, and how to ensure professionalism and ethical behaviour when managing people. This book also includes discussion of major contemporary themes in leading, managing, and developing people, including leadership, development, flexibility, agile working, and the psychological contract. This ensures that readers are fully prepared to lead, manage, and develop staff in the new world of work. With rigorous academic underpinning and clear theoretical exploration, *Leading, Managing and Developing People* also includes practical advice on key activities, including recruitment, job design, performance management, motivation, and reward. Supported by online resources, including an instructor's manual, lecture slides, international case studies, example essay questions, and annotated web links, this is an indispensable guide for both students and practitioners.
