Childhood Murli Desai, 2010-09-02 Children are one of the most important phase of human development and the most important target group for social work intervention Most of the schools of human development and social work round the world have an elective course on children and some offer a concentration in this area There are plenty of textbooks on intervention with children published by Western authors focusing on useful theories and skills but mainly at the remedial level They neither use the preventative approach nor the child rights perspective which has been found useful in the developing nations The books on child rights are generally published by the United Nations Children's Fund UNICEF and other international organisations working in the field of children such as Save the Children These books focus on the useful child rights perspective but they neither integrate theories nor use the preventative approach The proposed book A Rights

based Preventative Approach for Children s Psychosocial Well Being will be the first to apply the child rights perspective and the preventative approach to intervention for children s psychosocial well being It is an integration of theories with practice and teaching relevant in different parts of the world The book is divided into the following three parts Part 1 Introduction to a Rights based Preventative Approach for Children s Psychosocial Well Being Part 2 Primary Prevention for Children s Psychosocial Well Being Part 3 Secondary and Tertiary Prevention for Children s Psychosocial Well Being

Introduction to Rights-based Direct Practice with Children Murli Desai,2018-01-19 The Sourcebook introduces the theoretical and ideological foundation and methodological basis of Rights based Direct Practice with Children It starts with the methodology of participatory group workshops to facilitate learning of the content The content draws linkages among the foundation of life skills psychosocial sociological and critical theories of childhood and child rights values categories and principles with the approaches methods and skills of direct practice with children The book takes examples from India but makes significant contribution to training and reference material for child rights teachers trainers facilitators and field workers across the world especially in the developing countries
