Question Everything was written for everyone who has ever heard something in their religious teaching that did not seem quite right ever had some questions about the Biblical basis for their church s traditions and are wondering if there might be straight forward answers to what may have been bothering them for many years It is a great step of courage and risk to challenge the traditions foundations and strongholds of one s faith particularly when that faith has been handed down from generation to generation but it is risk with the significant reward of peace and confidence that can only be obtained through God s Word The reader should be brave when comparing what they always thought with what the Bible has to say As every individual faces eternity they will not be accompanied by their ancestors their Ministers or Priests nor their best friends or loved ones their eternal destiny will be based on how they responded to God s Holy Word      *Know Why You Know* David Keuss,2013-09-25 Is there a solution to Christians hearing Well thats just your opinion when we share the gospel Are we stuck with only responses like Well thats what our community thinks or Our Christian experts think its true This book aims past these questions and lets the reader in on weaknesses to the postmodern rejection of Christian truth If youre looking for some direction on why your friends or neighbors postmodernism thats your opinion fails and why we can give better responses as Christians then youve stumbled on the right book      **African Books in Print** ,1978      Preacher and Homiletic Monthly ,1913      **Metropolitan Pulpit and Homiletic Monthly** ,1913      **The Homiletic Review** ,1913
