

I dare you to let me be your, your one and only, I
promise I'm worth it, mmm,
To hold in your arms,
So come on and give me a chance,
To prove I am the one who can walk that mile, Until
the end starts.

These review commercially available albums of show music providing the researcher with the information given on album covers. This volume's 657 entries list some 6500 song titles and cover the years from 1874 *Die Fledermaus* to 1988 *Goya*. Lynch has included every significant recording with the exception of some albums with uncredited vocals or those of well represented scores with obscure vocalists. All commercially recorded TV musicals including some produced for younger viewers are contained here with where available the date of the recording. Studio cast albums are limited to those sung in English and performed in New York City and include English recordings of American shows. In addition to TV and studio cast recordings 14 other categories of recordings are listed under descriptive headings including Archival Recreation Concert Recording Demo Recording Failed Musical Film Score Ice Revue Musical for Records Night Club Revue Original Concept Album Pre Broadway Recording Puppet Show Radio Production Television Production and Television Special. Following an introduction the lengthy discography section arranges show titles alphabetically and lists the date of the show's first performance as well as the date of the first New York production of foreign shows. Also included here are original record label number and information on reissues and whether the recording is in mono or stereo or is available as a compact disc CD. Major composer lyricist and musical conductor are credited and cast members who sing on the recording are listed alphabetically. Each entry also lists all songs included on the album in the order they are performed on the record followed when available by the name of the performer's. Entries conclude with additional composers and lyricists who also contributed to the score and an occasional note of interest to the researcher. A separate television chronology includes the network that aired the musical while the studio cast chronology indicates the musicals for records included. The movie chronology identifies the studio which originally presented the film. An index to performers lists each alphabetically followed by the titles of all albums on which the artist sings. The technical index alphabetically lists composers lyricists and musical directors with the show album titles following. Bruce Springsteen, Cultural Studies, and the Runaway American Dream Jerry Zolten,2016-05-23 There is little question about the incredible power of Bruce Springsteen's work as a particularly transformative art as a lyrical and musical fusion that never shies away from sifting through the rubble of human conflict As Rolling Stone magazine's Parke Puterbaugh observes Springsteen is a peerless songwriter and consummate artist whose every painstakingly crafted album serves as an impassioned and literate pulse taking of a generation's fortunes He is the foremost live performer in the history of rock and roll a self-described prisoner of the music he loves for whom every show is played as if it might be his last In recent decades Puterbaugh adds Springsteen's music developed a conscience that didn't ignore the darkening of the runaway American Dream as the country greedily blundered its way through the 1980s and into the sociocultural detritus of a new century paralysed by isolation and uncertainty Bruce Springsteen Cultural Studies and the Runaway American Dream reflects the significant critical interest in understanding Springsteen's resounding impact upon the ways in which we think and feel about politics religion gender and the pursuit of the American Dream By assembling a host of essays that engage in interdisciplinary commentary regarding one of Western culture's most enduring artistic and socially radicalizing phenomena this book offers a cohesive intellectual and often entertaining introduction to the many ways in which Springsteen continues to impact our lives by challenging our minds through his lyrics and music The New York Times Theater Reviews 1997-1998 C.
