One Part Woman Perumal Murugan:

One Part Woman Perumal Murugan, 2018-10-09 Selling over 100 000 copies in India where it was published first in the original Tamil and then in a celebrated translation by Penguin India Perumal Murugan's *One Part Woman* has become a cult phenomenon in the subcontinent captivating Indian readers and jump starting conversations about caste and female empowerment Set in South India during the British colonial period but with powerful resonance to the present day *One Part Woman* tells the story of a couple Kali and Ponna who are unable to conceive much to the concern of their families and the crowing amusement of Kali's male friends Kali and Ponna try anything to have a child including making offerings at different temples atoning for past misdeeds of dead family members and even circumambulating a mountain supposed to cure barren women but all to no avail A more radical plan is required and the annual chariot festival a celebration of the god Maadhorubaagan who is one part woman one part man may provide the answer On the eighteenth night of the festival the festivities culminate in a carnival and on that night the rules of marriage are suspended and consensual sex between any man and woman is permitted The festival may be the solution to Kali and Ponna's problem but it soon threatens to drive the couple apart as much as to bring them together Wryly amusing fable like and deeply poignant *One Part Woman* is a powerful exploration of a loving marriage strained by the expectations of others and an attack on the rigid rules of caste and tradition that continue to constrict opportunity and happiness today

The Politics of Modern Indian Language Literature MK

Raghavendra, 2024-04-16 Indian literature is produced in a wealth of languages but there is an asymmetry in the exposure the writing gets which owes partly to the politics of translation into English This book represents the first comprehensive political scrutiny of the concerns and attitudes of Indian language literature after 1947 to cover such a wide range including voices from the cultural margins of the nation like Kashmiri and Manipuri that of women alongside those of minority and marginalised communities In examining the politics of the writing especially in relation to concerns like nationhood caste tradition and modernity postcoloniality gender issues and religious conflict the book goes beyond the declared ideology of each writer to get at covert significations pointing to widely shared but often unacknowledged biases The book is deeply analytical but lucid and jargon free and to those unfamiliar with the writers it introduces a new keenness into Indian literary criticism to make its objects exciting

passages from the goat's perspective offer a bawdy and earthy view of what it means to be an animal and a refreshing portrayal of the natural world. But Poonachi's life is not destined to be a rural idyll; dangers can lurk around every corner and may sometimes come from surprising places, including a government that is supposed to protect the weak and needy. Is this little goat too humble a creature to survive such a hostile world? The title character of Murugan's elegant new novel is indeed a joy through Poonachi's tale; we are reminded how much bonds us with the animal world. USA Today *The Land and the Shadows* Perumal Murugan, 2025-12-22

Cinema for Perumal Murugan was never just flickering images on a screen. It was a field of experience, a gathering ground, a mirror held up to the land itself. In *The Land and the Shadows*, he returns to the theatres of his youth and to the decades when Tamil cinema became inseparable from the life of the people: the 1950s through the 1970s. Here he recalls his boyhood labour in a small town cinema hall, the thrill of posters and projectors, the songs carried on village winds. From those vivid fragments, Murugan opens out a portrait of Tamil society in transition, where poverty and caste met desire and aspiration in the common darkness of the theatre. The screen was both escape and education; its heroes and heroines shaping speech, gesture, and imagination across class and community. Part memoir, part ethnography, this is a record of a world that has almost vanished: those public spaces where lives once overlapped, where cinema forged unlikely intimacies and collective dreams. Murugan's voice, at once personal and self-effacing, turns memory into history and history into story. Translated with fidelity and grace by Gita Subramanian, *The Land and the Shadows* brings us Perumal Murugan in a new key, as witness to cinema's place in the making of modern Tamil Nadu and as chronicler of a society learning to see itself in the play of light and shadow. Resolve Perumal Murugan, 2021-11-15

The vision he saw in his dream, a world in ruins and bereft of women, was that going to come true soon. If he could get married, he would live the way people lived in the old days. He wanted to have at least ten children, and he wanted them all to be girls. The world should never again witness the sorrow of a man like him. It might be a truth universally acknowledged that a single man in possession of a good fortune, or at least a piece of land, must be in want of a wife, but Marimuthu's path to marriage is strewn with obstacles, big and small. Inward-looking, painfully awkward, desperately lonely, and deeply earnest, Marimuthu is fuelled by constant rejection into an unforgettable and transformative matrimonial quest. Enter a series of marriage brokers, horoscopes, infatuations, refusals, and bride-seeking expeditions gone awry, which lead Marimuthu to a constant re-evaluation of his marital prospects. But this is no comedy of manners, and before long we find ourselves reckoning with questions of agricultural change, hierarchies of caste, the values of older generations, and the grim antecedents of Marimuthu's poor prospects, as decades of sex-selective abortion have destroyed the fabric of his community and its demographics. Perumal Murugan's *Resolve* is both a cultural critique and a personal journey; in his hands, the question of marriage turns into a social contract, deeply impacted by the ripple effects of patriarchy, inequality, and changing relationships to land and community. In this deceptively comic tale that savagely pierces the very heart of the matter, translated with deft moments of lightness and

pathos by Aniruddhan Vasudevan Perumal Murugan has given us a novel for the ages
