reproduction of the 1970 Floyd Clymer publication of the official Honda Factory Workshop Manual specific to the 1962 1969
n10 50cc Sport Cub series of motorcycles This manual includes all of the data that you would expect from a factory
publication for the repair and overhaul of all major and minor mechanical and electrical components It also includes a
comprehensive troubleshooting section plus tables of technical data tolerances and fits making it an invaluable resource for
collectors and restorers of these classic Honda motorcycles There are 55 illustrations and each procedure is explained in a
step by step method using an appropriate illustration The translation from Japanese to English is at times a little quirky but
the illustrations make up for any difficulty in understanding what needs to be done There are separate sections that deal with
the repair and overhaul procedures for the engine transmission wheels and brakes front forks frame and carburetor plus a
detailed electrical service section This is a must have reference for any Honda enthusiast and would certainly assist in
helping any potential purchaser better understand the inner workings prior to purchasing one of these classic motorcycles
