Racing Death Daniel K. O'Neill, 2018-07-09 I remember running in my very first race in July 1987 Lining up with over two hundred others to run fifteen kilometres was exhilarating and daunting I hadn't really known how to train for a race but there I was To this day I still remember the nerves and the excitement After many races including marathons and triathlons I would discover that I was indeed pursuing life I was running for the small boy inside of me who was beat down by childhood sexual abuse I was running for the angry teenager in me who saw the hypocrisy of the world I was pursuing the man I knew I could be I was tired of running away This is not a how to book it's a to do book I have no magic formula or secret to help you live the life you desire The truth is that you'll need to do some work But the ultimate payoff is achieving your vision drawn from the life sustaining energy of the Spirit within you Living dead is not an option We are Racing Death in pursuit of a life that will give us abundance and eternal peace
