The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a
workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its
essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to
add materials of the following decade to correct and refine the bibliographical details already available and to re shape the
whole according to a new series of conventions devised to give greater clarity and consistency to the entries *Books in*
