Reading and Writing About Literature Janet E. Gardner, 2012-09-15 Far less expensive than comparable guides *Reading and Writing about Literature A Portable Guide* is an ideal supplement for writing courses where literature anthologies and individual literary works that lack writing instruction are assigned This brief guide introduces strategies for reading literature explains the writing process and common writing assignments for literature courses provides instruction in writing about fiction poetry and drama and includes coverage of writing a research paper and of literary criticism and theory This volume in the popular Bedford St Martin s series of Portable Anthologies and Guides offers a trademark combination of high quality and great value

Feminist Collections, 2005 **Collaborating(,) Literature(,) and Composition** Frank Gaughan, Peter H. Khost, 2007 The disciplines of English and composition seem particularly prone to crisis driven proclamations our kids don t read the great works or they don t read at all or they can t write Crisis talk notwithstanding educators are left to theorize and practice ways to teach reading and writing with intelligence compassion and integrity However it often seems that theoretical formulations do not sufficiently explain their practicable applications and practicable discussions too rarely rise above the level of swapping recipes sharing assignments that work well in one context but may not in another Therefore the editors of this volume submit this collection of essays that strives to harmonize the all too often discordant qualities of theory and practice Each co authored essay illustrates and analyzes various classroom

based strategies for productive collaboration between literature and composition This collection envisions a reciprocal to composing literature literaturing composition which entails living through literature as Louise Rosenblatt has it This process regards the literary text as a medium for creative action so that one reads not to criticize so much as to imagine new compositional possibilities The eight essays in this collection are divided into four sections which span topics that include textuality and critical pedagogy argumentation and hybrid genres student engagement and popular culture and materiality and assessment Publisher s website
