Remember that an artist's drawing does not always have to be finished. The finished work can be the result of the process.

PROBLEM 1.2

Domestic Interior, Women

Make a drawing in which you combine figures in space with the interior of a room. Consider the relationship between the figures and the space.

Use charcoal on paper for drawing of a figure. Draw a domestic interior (inspired by the photo in Figure 1.11) in pencil around the figure. Make the lines loose and gestural, and the shading soft. Think about the way the figures' positions affect a domestic interior. The composition of the drawing should be balanced. Return to the finished drawing from the previous page.

PROBLEM 1.3

Domestic Interior

Make a charcoal composition of two overlapping figures in space in a domestic room. Use the same or an example of the drawing of space in the photo drawing from Figure 1.11, in which the table shows continuous lines that lead your eyes to create a unified, single composition. Draw 100 to 140 cm (39 3/8 to 55 1/8 in.)
