

Physics, 3rd Edition Lesson Plan Overview

Day(s)	Topic	Pages	Support Materials	Bible Integration**
Unit 1: A Framework				
Chapter 1: Foundations of Physics				
1	1A Why Study Physics?	1–5	See <i>Physics</i> Support Materials CD	Kick off the year by helping students answer the question, “Why should a Christian study Physics?” The answer should involve helping people and glorifying God by fulfilling the Creation Mandate. Discuss how the Bible’s story—Creation, Fall, and Redemption—play out in Physics.
2–3	1B What Is Physics?	5–15		Encourage each student to follow God’s will for their life when choosing a career. Dispel students’ misconceptions about what science is, does, and how it should be used. Emphasize that the goal of science is model-making, not establishing truth. God’s Word does that. Encapsulate a Christian worldview for your students in Creation, Fall, and Redemption. Be sure to discuss Thomas Kuhn and how his philosophy of science dovetails into a discussion of worldview.
4	1C How Do Physicists Work?	16–21		Expose students to the joy and glory of doing science. They are no more human and God-like than when they are exercising dominion over God’s world. Point out dominion science and modeling as a recurring feature in this textbook.
5	Chapter 1 Test*			
Chapter 2: Measurement				
6	2A Dimensions of Physics	22–30	See <i>Physics</i> Support Materials CD	Begin the chapter by discussing the dominion modeling about the challenges of measuring the speed of light.
7	2B Principles of Measurement	31–35		Discuss why accuracy in measurements should be important to a Christian. Tie in the opening dominion modeling here by discussing how Ole Rømer measured the speed of light. Students will manipulate data from Table 2-3 in review questions.

* You may want to insert a review day before a chapter test when appropriate.

** Some of the Bible Integration topics are covered in the Teacher’s Edition margin notes and are not directly covered in the student text.

Lesson Plan 3 Physics

L Manion

Lesson Plan 3 Physics:

Eventually, you will definitely discover a other experience and success by spending more cash. yet when? pull off you believe that you require to acquire those all needs behind having significantly cash? Why dont you attempt to get something basic in the beginning? Thats something that will lead you to understand even more in relation to the globe, experience, some places, next history, amusement, and a lot more?

It is your totally own era to function reviewing habit. in the midst of guides you could enjoy now is **Lesson Plan 3 Physics** below.
