Tips to increase your credit score Miyake Eze,2021 There are many misconceptions about credit scores out there There are customers who believe that they don t have a credit score and many customers who think that their credit scores just don t really matter These sorts of misconceptions can hurt your chances at some jobs at good interest rates and even your chances of getting some apartments The truth is of you have a bank account and bills then you have a credit score and your credit score matters more than you might think Your credit score may be called many things including a credit risk rating a FICO score a credit rating a FICO rating or a credit risk score All these terms refer to the same thing the three digit number that lets lenders get an idea of how likely you are to repay your bills Every time you apply for credit apply for a job that requires you to handle money or even apply for some more exclusive types of apartment living your credit score is checked In fact your credit score can be checked by anyone with

a legitimate business need to do so Your credit score is based on your past financial responsibilities and past payments and credit and it provides potential lenders with a quick snapshot of your current financial state and past repayment habits In other words your credit score lets lenders know quickly how much of a credit risk you are Based on this credit score lenders decide whether to trust you financially and give you better rates when you apply for a loan Apartment managers can use your credit score to decide whether you can be trusted to pay your rent on time Employers can use your credit score to decide whether you can be trusted in a high responsibility job that requires you to handle money The problem with credit scores is that there is quite a bit of misinformation circulated about especially through some less than scrupulous companies who claim they can help you with your credit report and credit score for a cost of course From advertisements and suspect claims customers sometimes come away with the idea that in order to boost their credit score they have to pay money to a company or leave credit repair in the hands of so called experts Nothing could be further from the truth It is perfectly possible to pay down debts and boost your credit on your own with no expensive help whatsoever In fact the following 101 tips can get you well on your way to boosting your credit score and saving you money By the end of this ebook you will be able to Define a credit score a credit report and other key financial terms Develop a personalized credit repair plan that addresses your unique financial situation Find the resources and people who can help you repair your credit score Repair your credit effectively using the very techniques used by credit repair experts Plus unlike many other books on the subject this ebook will show you how to deal with your everyday life while repairing your credit Your credit repair does not happen in a vacuum This book will teach you the powerful strategies you need to build the financial habits that will help you to a keep a high credit risk rating It really is that simple Start reading and be prepared to start taking small but powerful steps that can have a dramatic impact on your financial life

Saving Your American Dream Jason Biro,Carolyn Rodi,2009-09-08 Are you worried about your mortgage or facing foreclosure Starting over after losing your home Buying a home or looking to refinance and just don t know where to start In *Saving Your American Dream* industry veteran Jason Biro shows you step by step how to make it through these tough economic times without sacrificing the American dream of homeownership Find out What happened during the housing and lending crash and what it means for you How to prevent foreclosure even if it s already in progress and how to recover financially if you can t How lending works what lending and mortgage terms really mean and what you can do right now to increase your chances of qualifying for an affordable loan How you can protect yourself from predatory lending and real estate scams How to improve and manage your credit your finances and your future With this book you could also get the help you need to save your American dream How Use the unique code that s included with this book to tell Jason your story You could receive one on one counseling assistance and advice to help protect your home from foreclosure to improve your credit and finances or to plan for owning a home of your own once again
