Mazel is a detailed informative guide to parenting during the first year of a child's life. New parents can become overwhelmed by a multitude of concerns and questions about how to make sure their newborns get a healthy start in life. Parents must make innumerable choices including figuring out whether to use cloth or disposable diapers, to breastfeed or use formula, to sleep train or always get up with the baby. Parents must learn a host of new skills such as how to hold the baby properly, how to change diapers, and how to interpret the baby's cries, which are an important form of communication. If a mother is breastfeeding, she needs practice, patience, and an understanding of whether or not her baby is receiving enough sustenance.
