New York Times best selling author of Sex at Dawn We live in a chaotic modern world with daily assaults on our health from frenetic schedules poor sleep high stress chronic disease and infectious illness Our brain and nervous system have been hijacked by this toxic environment always on high alert with real consequences to our physical and mental health With The Way of The Iceman Wim Hof has given a profound gift to public health The science is solid and the results actual and measureable As you follow his remarkable life story it is readily apparent that this man is no charlatan or snake oil salesman Through years of commitment and self experimentation Wim has empirically figured out how to exert significant control over the autonomic nervous system a feat once thought impossible His method has held up to scrutiny under the dispassionate lens of science expanding our knowledge of what is possible with dedicated training in what is now known as the Wim Hof Method Deceptively simple and incredibly powerful The Way of the Iceman gives you not only the scientific framework but actionable steps you can implement to take back control over your high jacked brain increase resilience from illness and start healing yourself from the inside out The Wim Hof Method has become a cornerstone in my personal daily wellness plan and as a public health physician I cannot recommend it highly enough Dr Chris Hardy D O MPH CSCS Public Health Physician Integrative Medicine Specialist The Way of The Iceman is one of only two books in my life that I have read cover to cover the first time I put my hands on it What won me over was the simplicity of the explanations of diabetes inflammation and the family of modern ills Moreover the discussion on diet just a brief mention of Fast Five is the first time I actually understood not only how inflammation is such an issue but a means to deal with it This book is the missing link for most of us the discussion of breathing is so simple yet so doable coaches and athletes will understand a newer and simpler means of recovery Nothing in the book is over the top and we are talking about a guy who swims under ice The method is so simple yet so elegant It s marvelous and I think you will apply the techniques immediately Daniel John author of Never Let Go Wim Hof has learned to control his physiology in a way rarely seen in human history This book takes his extraordinary techniques and simplifies them so you can optimize your health and wellness I recommend you learn the unique methods Wim has mastered in order to add vitality to your body and life Chad Waterbury neurophysiologist author The Muscle Revolution I found The Way of The Iceman absolutely fascinating Many of us are familiar with the numerous benefits of cold training such as increased energy levels better circulation and improved mood but nothing on the subject has ever been presented of this magnitude before The legend himself Wim Hof along with Koen De Jong share not only a detailed account of Mr Hof s lifetime achievements such as running a marathon in the Arctic in just a pair of shorts but also practical actionable methods that anyone can employ This book has everything from progressive cold submersion methods to breathing techniques It delves into meditation and spirituality but also presents the hard science to back it up Any fan of physical culture or anybody curious about how far the human limits can be pushed needs to add this to their library Danny Kavadlo author of Strength Rules Wim Hof s techniques healed my gut where nothing else would And I tried everything The Way of The Iceman should

be required reading The world is just beginning to realize the extraordinary gift we have in Wim Hof Mark Joyner founder of Simpleology As someone who enjoys bare chested outdoor winter calisthenics workouts Wim Hof s extreme cold weather feats immediately appealed to me The Wim Hof Method is so simple that anyone can get started right away And the results are so palpable that once you start you ll almost certainly want to keep going Al Kavadlo author of Street Workout and Pushing The Limits Wim Hof first came across my radar a few years ago when I heard of a crazy Dutchman defying the laws of thermodynamics How could a man submerge himself in freezing water for prolonged periods of time without hypothermia How was it possible for his body temperature to stay the same during the process This book is an enlightening look into the nervous system and the amazing power of the mind Don t mistake this for simple cold therapy although that is a piece of the puzzle This book will give you a front row seat to an education on the nervous system and how one man and his disciples have learned to control it in a way that we previously thought was impossible I found The Way of The Iceman fascinating Max Shank founder of Ultimate Athleticism and author of Master The Kettlebell When I read The Way of The Iceman I was struck with awe and hope Wim has brought scientific evidence to what I personally believe and have been teaching my students for years about breathing bioenergetics and our connection to the spirit world By demystifying the religious Wim is helping to support a Truth in the New World mainly that spirituality without science descends into superstition and science without spirituality degrades humanity into the meaninglessness of materialism Elliott Hulse Wim Hof makes the seemingly mystical and extraordinary ridiculously easy to access Anyone who is willing to explore the latent powers of deep breathing and imagination will feast upon his unique story and his method of overpowering the unconquerable elements of nature Matt Furey author of Combat Conditioning What lies within this book is the key to accessing power whenever and wherever on demand A tool to transcend consciousness and tap into the highest version of yourself Never have I experienced anything that allowed me to instantly shift vibration and release such energy AJ Roberts Fitness Hall of Fame and All Time World Record Holder
