Xxxholic CLAMP (Mangaka group), 2006 SERIES OVERVIEW Watanuki is Yoko's unwilling assistant but even he is compelled by the fascinating adventures he's had since he started working for the space-time witch Yoko who operates a shop that grants people what they need but there is always a price to be paid. It's Valentine's Day and while Domeki is showered with chocolates and cards from girls, Watanuki receives none. To make matters worse, he must also do the usual chores for Yoko which includes making chocolate cake for her and Mokona as well as the treats she wants to give away as gifts. But when Watanuki discovers he has a shy and secret admirer who is not quite human, he finds that chocolates can be more than just sweets. Then, after seeing identical twin sisters pass by in the street, Yoko makes a curious remark that there are chains that only humans can use to bind others. Watanuki meets the sisters and senses that the relationship between them is not what it seems.
