Gregory G. Dess,G. T. Lumpkin,2003 Strategic Management Creating Competitive Advantages 1st Edition by Dess and Lumpkin responds to the demands of today s rapidly changing and unpredictable global marketplace that students will face when they enter the business world The concepts only text provides students with a timely rigorous and relevant book written in an engaging manner to spur their interest and excitement This book provides a solid treatment of traditional topics in strategic management as well as contemporary topics such as entrepreneurship knowledge management and e commerce and internet strategies Numerous applications from business practice plus sidebars approximately six per chapter bring key concepts to life For the instructor Strategic Management provides flexibility and convenience not available in any other book on the market It is a text only book with an extensive variety of cases from the Primis Pinnacle database that is designed to tie concepts directly to cases Instructors are provided with a wide variety of options from default options consisting of pre selected case packets to a wide variety of cases available from the database Global Street Economy and Micro Entrepreneurship Simon Grima,2020-05-28 Throughout the history of capitalism street economy has found a space in the failures of the open market economy but it has been ignored by the mainstream media and academy As street economies pop up as a spontaneous solution to the failures of capitalism these economies are an opportunity to learn explore and grow away from the mainstream **Educational Innovation in Economics and Business VI** Tor A. Johannessen,Ansgar Pedersen,Kurt Petersen,2013-04-17 Business education and business research has often been criticized by the business community which claims that much of it is mainly directed at the establishment of teachers and researchers themselves instead of distributing their knowledge to the business community It may seem that many universities and other research institutions have turned into mere knowledge manufacturers where the emphasis is more on the output volume than on quality of relevance with little or no consideration for the end users As universities and corporations attempt to prepare management to be alert to future changes improved and even brand new teaching methodologies are required The main focus of the present volume is on the distribution and selection of new knowledge How can business educators deliver new knowledge to students and the business community more rapidly than before How should we define the core business curriculum when new knowledge becomes old knowledge Strategic Management: Creating Competitive Advantages Gregory Dess,G.T. (Tom) Lumpkin,Alan Eisner,2007-11 Strategic Management Creating Competitive Advantage 4th Edition by the prestigious authors Dess Lumpkin Eisner provide solid treatment of traditional topics in strategic management as well as thorough coverage of contemporary topics such as digital internet strategies innovation corporate entrepreneurship knowledge management and intellectual assets This text s accessible writing style and wealth of new and updated illustrations which clarify the most difficult topics make this text the best resource for your students Decision Making in Behavioral Strategy T.
