Game Changers Dave Asprey, 2018-12-04 The bestselling author of *Head Strong* and *The Bulletproof Diet* answers the question: How can I kick more ass at life by culling the wisdom of world-class thought leaders, maverick scientists, and disruptive entrepreneurs to provide proven techniques for becoming happier, healthier, and smarter? When Dave Asprey started his *Bulletproof Radio* podcast more than five years ago, he sought out influencers in an array of disciplines, from biochemists toiling in unknown laboratories to business leaders changing the world to meditation masters discovering inner peace. His guests were some of the top-performing humans in the world, people who had changed their areas of study or even pioneered entirely new fields. Dave wanted to know: What did they have in common? What mattered most to them? What made them so successful, and what made them tick? At the end of each interview, Dave asked the same question: What are your top three recommendations for people who want to perform better at being human? After performing a statistical analysis of the answers, he found that the wisdom gleaned from these highly successful people could be distilled into three main objectives: finding ways to become smarter, faster, and happier. *Game Changers* is the culmination of Dave's years-long immersion in these conversations, offering 46 science-backed, high-performance laws that are a virtual playbook for how to get better at life. With anecdotes from game changers like Dr. Daniel Amen, Gabby Bernstein, Dr. David Perlmutter,

Arianna Huffington Esther Perel and Tim Ferris as well as examples from Dave's own life *Game Changers* offers readers practical advice they can put into action to reap immediate rewards From taming fear and anxiety to making better decisions establishing high performance habits and practicing gratitude and mindfulness Dave brings together the wisdom of today's game changers to help everyone kick more ass at life *The Holistic Pine: Volume 2, Issue 2* Writers' Kalam,2023-02-19 The Holistic Pine is India's first independent international monthly lifestyle journal Sanskar News India has just taken a giant leap into the world of independent publishing with the launch of The Holistic Pine The Gram Today Authenticity Brevity and Clarity We experience information overload the moment we search something online especially when this search is regarding courses and careers What guarantee do we have that the information we receive online is genuine or not How many hours should we dedicate to sift through the data available How could we identify the authenticity of information Instead of spending hours and hours of time and energy The Holistic Pine is making it easier for the reader to get authentic information within a short period of time This is one of the reasons educational institutions are moving massively towards The Holistic Pine where you get Authenticity Brevity and Clarity There is still another reason Most academic journals subscribed by college school libraries do not create readers out of students Most students avoid them However The Holistic Pine is unique in its appeal That's where The Holistic Pine becomes different It has created a bridge between the magazine culture and journal culture offering in each issue a highly stylised reading material that attracts students and scholars The Holistic Pine thus becomes an academic asset in educational institutions scholars UPSC PSC and Civil Service or IAS aspirants and general readers *F**k Fast Fashion* The F Team,2020-01-09 Did you know that over 300 000 tonnes of clothing are sent to landfill in the UK alone every year And that the industry's carbon emissions are bigger than the world's flight and shipping footprints combined But it's OK YOU CAN MAKE A CHANGE In this book you'll find 101 simple tips and tricks you as an individual can do in your everyday life to shop better and help save the planet Governments retailers and organisations around the world are finally starting to take action but while we wait let's get started In this proactive illustrated book you'll find 101 simple ways to change your spending habits covering SHOPPING e.g unless you live within walking distance of the shop buy online Delivery vans act like public transport for clothes so are much better for the environment than us driving to shops individually BUYING e.g think 30 would you wear this at least 30 times WEARING e.g don't overfill your washing machine It causes your clothes to rub together so they fade faster REUSING e.g upcycle old clothes with new buttons or even embroidery if you're crafty We've said NO to plastic it's time to say the same to fast fashion *Why Don't I Have Anything to Wear?* Andrea Cheong,2024-08-13 Sustainable Clothing On a Budget Closet filled with clothes but nothing to wear You're not alone Escape from shopping addiction You don't need new expensive clothes to improve your life Using her 5 step programme fashion blogger stylist and viral Tik Tok star Andrea Cheong teaches you how to repair your relationship with clothing through emotional insight and shopping tips and tricks In a world of fast fashion buying less and saving more has
