*What We've Become* Jonathan M. Metz, 2024-01-30 Finalist for the Tennessee Book Awards A New York Times Book  
Review Editors Choice A Kirkus Reviews Best Book of the Year We need this book now Michael Eric Dyson New York Times  
best selling author of Tears We Cannot Stop A Sermon to White America A searing reflection on the broken promise of safety  
in America When a naked mentally ill white man with an AR 15 killed four young adults of color at a Waffle House Nashville  
based physician and gun policy scholar Dr Jonathan M Metz once again advocated for commonsense gun reform But as he  
peeled back evidence surrounding the racially charged mass shooting a shocking question emerged Did the public health  
approach he had championed for years have it all wrong Long at the forefront of a movement advocating for gun reform as a  
matter of public health Metz has been on constant media call in the aftermath of fatal shootings But the 2018 Nashville  
killings led him on a path toward recognizing the limitations of biomedical frameworks for fully diagnosing or treating the  
impassioned complexities of American gun politics As he came to understand it public health is a harder sell in a nation that  
fundamentally disagrees about what it means to be safe healthy or free In *What We ve Become* Metz reckons both with the  
long history of distrust of public health and the larger forces social ideological historical racial and political that allow mass  
shootings to occur on a near daily basis in America Looking closely at the cycle in which mass shootings lead to shock horror  
calls for action and ultimately political gridlock he explores what happens to the soul of a nation and the meanings of safety  
and community when we normalize violence as an acceptable trade off for freedom Mass shootings and our inability to stop  
them have become more than horrific crimes they are an American national autobiography This brilliant piercing analysis  
points to mass shootings as a symptom of our most unresolved national conflicts *What We ve Become* ultimately sets us on  
the path of alliance forging racial reckoning and political power brokering we must take to put things right      **American
