

Fahrenheit 451 Part 2 Homework

I think that everyone should be made equal because if they weren't than it's not fair for other people. When some children are born in rich and wealthy family, some doesn't have the opportunity to have as good education and some might not even get the chance to go to school or read books or even eat. If everyone get's born the same, they all get the same opportunity to do things that they want to do and not thinking about having no money for lunch. Those poor children might be really intelligent but could only be placed to a really bad school. If everybody is the same then if they get famous, that means they actually work hard and put their time into their work. Also if they are the same, they get to choose what they want to do or what they might do. You can't complain if you end up not getting into university and having to be a cleaner or janitor because you've already got given the opportunity to learn when you were playing video games all day and not being able to control yourself to do homework.
