process a chance I feel is pretty significant She does a great job of it too at times overtly and other times almost subversively It s material I can consult linearly or more delightfully in single scoops and it fits in my pocket so I can carry it to a favourite reflection spot

Writer s Digest on A Work in Progress Exercises in Writing **Poets & Writers** ,1996 Orality and Literacy Keith Thor Carlson,Kristina Fagan,Natalia Khanenko-Friesen,2011-04-30 Orality and Literacy investigates the interactions of the oral and the literate through close studies of particular cultures at specific historical moments Rejecting the great divide theory of orality and literacy as separate and opposite to one another the contributors posit that whatever meanings the two concepts have are products of their ever changing relationships to one another Through topics as diverse as Aboriginal Canadian societies Ukrainian Canadian narratives and communities in ancient Greece Medieval Europe and twentieth century Asia these cross disciplinary essays reveal the powerful ways in which cultural assumptions such as those about truth disclosure performance privacy and ethics can affect a society s uses of and approaches to both the written and the oral The fresh perspectives in Orality and Literacy reinvigorate the subject illuminating complex interrelationships rather than relying on universal generalizations about how literacy and orality function
