

The background of the entire page is a detailed relief sculpture from an ancient Mesopotamian site. It depicts a man with a long, full beard and a headband, wearing a patterned kilt and sandals. He is shown in profile, holding a large, shaggy dog by its collar. The dog is also shown in profile, looking towards the right. The relief is carved into a light-colored stone or clay surface. A semi-transparent white banner is overlaid across the middle of the image, containing the title and author information.

Did Moses Exist? D. M. Murdock, Acharya S, 2014 The biblical figure of Moses has been the center of fascination for over 2 000 years but what do we actually know about him Was he a real person Did the Exodus truly happen Or is the story in the Pentateuch a mythical account written centuries after the alleged events Why does Moses's story resemble that of other older lawgivers and legendary predecessors Why are there so many elements of sun and wine god myths in the tale of Moses What does the focus on the serpent in his story signify Who were Yahweh and the Elohim *Did Moses Exist* includes Maps and 126 illustrations Extensive bibliography table of contents and index Hundreds of footnotes and citations from primary sources in multiple languages Best modern scholarship from credentialed authorities *Did Moses Exist* provides a massive

amount of information from antiquity about the world's religious traditions and mythology including how solar myths, wine cultivation and fertility cults have shaped the Bible and Judaism. This book may be the most comprehensive study to date using the best scholarship and state-of-the-art research methods. The existence of Moses, as well as the veracity of the Exodus story, is disputed amongst archaeologists and Egyptologists with experts in the field of biblical criticism citing logical inconsistencies, new archaeological evidence, historical evidence, and related origin myths in Canaanite culture.

Wikipedia: There is no historical evidence outside of the Bible, no mention of Moses outside the Bible, and no independent confirmation that Moses ever existed.

Dr. Michael D. Coogan: lecturer on the Old Testament at Harvard Divinity School. We cannot be sure that Moses ever lived because there are no traces of his earthly existence outside of tradition.

Egyptologist Dr. Jan Assmann: *Moses the Egyptian*. The life of Moses contains elements canonical and apocryphal that mark him as a true mythic hero, and certainly he is Judaism's greatest hero and the central figure in Hebrew mythology.

Dr. David Leeming: *The Oxford Companion to World Mythology*. The stories of the creation of the world, the flood of Noah, the life of Abraham, the life of Jacob, the descent into Egypt, the exodus from Egypt, the career of Moses, and the Jews in the desert of Joshua and his soldiers, the judges, and their clients are all apocryphal and were fabricated at a late period of Jewish history.

Dr. Thomas Inman: *Ancient Faiths and Modern Table of Contents*. List of Illustrations, Preface, Introduction, Who Wrote the Pentateuch, Was Moses an Egyptian Pharaoh or Priest? The Exodus as History, The Exodus in Ancient Literature, Hyksos and Lepers, Who Were the Israelites, The Exodus as Myth, The Lawgiver Archetype, The Dionysus Connection, The Life of Dionysus, The Vine and Wine, The Great God Sun, Yahweh and the Sun, Moses as Solar Hero, Conclusion, Bibliography, Index.
