A HOLIDAY TO REMEMBER

David Small has travelled all around the world. He tells us about one holiday that he is never likely to forget.

Travel is more than a hobby to me – it's a passion. By the age of 25, I had visited over ten countries. But most of my trips had been fairly short – a week in Italy, two weeks in Indonesia in China – that kind of thing. I felt I was missing something and I was ready to go on a big journey.

So, I planned a three-month tour of Europe. Of course, I had been to Europe before, but I was really looking forward to spending more time in some of my favourite places. Unfortunately, it turned out to be my worst holiday, even worse than being stuck up a mountain in the Himalayas, lost in the desert, or travelling in a tiny plane during a thunderstorm. **1** My worst experience was much closer to home.

And it was not because I was unprepared either. **2** I had worked out exactly when I was going to be in each country and how long I was going to stay. I had even booked my train tickets in advance so that everything went smoothly. But, despite all my careful planning, my dream holiday became a nightmare.

Things started to go wrong even before I had left England. I arrived at the airport in plenty of time (I had decided to start my trip in Italy so I was flying to Rome). With my tickets and passport in my hand, I joined the queue. Then, just as I was checking in, there was an announcement saying that all flights to Rome had been cancelled because of bad weather. **3**

When the plane took off the following day, my late arrival in Rome meant that I only had two hours before I had to catch my first train.

4 The rest of my time in Italy was fine, though, and I was beginning to really enjoy

myself. Then I went to Greece, which was when I had my accident.

I had hired a motorbike and I was travelling through some mountain villages. I had thought about hiring a car, but a motorbike gives you more freedom and I like the feeling of being in the open air. I have quite a lot of experience riding motorbikes, but nothing could prepare me for what happened next.

5 I tried the brakes, but the wheels just spun. I attempted to turn a corner but I was going too fast and, well, you can guess what happened next! My own stupid fault! I didn't break any bones, but I had bad scratches on my arms and legs which needed first aid. This also meant that I couldn't swim for the rest of the holiday!

On top of that, I lost my wallet so I had very little money left. I spent the next two months staying in the cheapest places, living on bread and cheap tins of fish, and feeling miserable! And because of my injuries, I couldn't even go for a swim or lie on the beach!

- A I had been planning this trip for over a year.
- B Of course, the success of a holiday depends on who you go with.
- C I had to go home and come back the next day!
- D I was riding down a steep hill when the bike started to speed up.
- E No, those adventures were fun!
- F I was very disappointed because that was the first city on my trip and I hardly saw anything.

Listening CD 1 Track 7

B You will hear an interview with a woman called Mary Davenport who organises working holidays for young people. For questions 1-5, complete the sentences.

...../28

WORKING HOLIDAYS

The interviewer asks Mary why young people would **1** while they are on holiday.

Mary began the company after hearing complaints that young people were **2**.

One problem with family holidays is that members of the family want to **3**.

Teenagers working at summer camps have to take care of **4** children.

Planting trees is hard work but it is more enjoyable than going **5**.
