Homework 7 Cs Nyu:

Learning Transformed Eric C. Sheninger, 2017-06-06 With all that we know about how students learn the nature of the world they will face after graduation and the educational inequities that have existed for centuries maintaining a traditional one size fits all approach to teaching and learning is tantamount to instructional malpractice International security the success of global economies and sustainability as a global society all depend on the success of our education system in the years to come It s our obligation to prepare our students for their future not our past Authors Eric C Sheninger and Thomas C Murray outline eight keys each a piece of a puzzle for transforming the K 12 education system of teaching and learning to intentionally design tomorrow s schools so today s learners are prepared for success and stand ready to create new industries find new cures and solve world problems The traditional model of schooling ultimately prepares students for the industrial model of the past If we want our students to become successful citizens in a global society we must dramatically shift to a more personal approach Failure is not an option We can no longer wait Let *Learning Transformed* show you how you can be a part of the solution The authors encourage you to use the hashtag LT8Keys to continue the discussion online
