Historical Dictionary of Science Fiction Cinema M. Keith Booker, 2020-06-15 In the years since Georges Méliès' *Le voyage dans la lune* *A Trip to the Moon* was released in 1902 more than 1000 science fiction films have been made by filmmakers around the world The versatility of science fiction cinema has allowed it to expand into a variety of different markets appealing to age groups from small children to adults The technical advances in filmmaking technology have enabled a new sophistication in visual effects This second edition of *Historical Dictionary of Science Fiction Cinema* contains a chronology an introduction and an extensive bibliography The dictionary section has over 400 cross referenced entries on important personalities films companies techniques themes and subgenres This book is an excellent resource for students researchers and anyone wanting to know more about science fiction cinema

Film as Religion, Second Edition John C. Lyden, 2019-11-26 Argues that popular films perform a religious function in our culture The first edition of *Film as Religion* was one of the first texts to develop a framework for the analysis of the religious function of films for audiences Like more formal religious institutions films can provide us with ways to view the world and the values to confront it Lyden argues that the cultural influence of films is analogous to that of religions so that films can be understood as representing a religious worldview in their own right Thoroughly updating his examples Lyden examines a range of film genres and individual films from *The Godfather* to *The Hunger Games* to *Frozen* to show how film can function religiously
