Harsha and Franklin both of them are postgraduates in management under different streams from the same B-School. Both of them are close to each other from the college days itself and the same friendship is continuing in the organization too as they are placed in the same company, Hy-tech technology solutions. Harsha placed in the HR department as employee counsellor and Franklin in the finance department as a key finance executive. As per the grade is concerned both are at the same level but when responsibility is concerned Franklin is holding more responsibility being in core finance.

They have successfully completed 4 years in the organization. And management is very much satisfied with both of them as they are equally talented and constant performers.

Harsha felt that now a day's Franklin is not like as he used to be in the past. She noticed some behavioural changes with him. During general conversations, she feels that Franklin is taunting her that she is famous among the employees in the organization, on the other hand, he is not even recognized by fellow employees.

One morning Mr. Mehta General Manager Hy-tech technology solutions shocked while going through the mail received from Franklin about his resignation. - 1) when he comes alone to canteen the people from others don't even recognize him but if he accompanied by Harsha he gets well treated by others.
- 2) one day Both of them entered the company together the security in the gate wished them but the next day when he came alone the same security did not do so.
- 3) Even in meetings held in the office, the points raised by Harsha will get more value so many times he keeps silent in the meeting.

It happens to Franklin that he has to face such degradation in each day of work which totally disturbs him. Franklin also questioned that " Harsha and myself have the same qualification, from the same institute, passed out in the same year both with first class.
