Development, Neoliberalism, and Islamism in South Asia Mustahid M. Husain, 2022-07-21 This monograph analyzes development through an examination of those class relations and how they are situated vis vis the politics of development and economic globalization in Bangladesh and how they shape aid delivery mechanisms and aid recipients choices in participating in such program One of the main findings is that development in Bangladesh relies on dual hegemony which he articulates as an alliance between the new Bangladeshi political and economic elite and the Western international aid development industry He argues that dual hegemony functions in such a way that it erodes the Bangladeshi middle class and reinforces class and caste differences through the privatization of the public sector and greater fragmentation of civil society This book is of interest to scholars of political Islam international politics and security studies including terrorism and the politics of South Asia

[The China Crisis](#) James R. Gorrie, 2013-05-08 A controversial look at the impending Chinese economic collapse the history behind it its contemporary causes and its dire implications for the global economy All the experts agree the 21st century belongs to China Given America s looming insolvency and the possibility of the collapse of the U S dollar who can doubt that China is poised to take over the role of economic superpower Written by political economist and leading financial journalist James Gorrie this book offers a highly controversial contrarian view of contemporary China Drawing upon a wealth of historical and up to the minute data Gorrie makes a strong case that China itself is on the verge of an economic crisis of epic proportions He explains how caught in a recurrent boom bust cycle that has played itself out several times over the past sixty years China is again

approaching total economic and social collapse But with one important difference this time they may very well take the entire global economy down with them Explores the Chinese communist party s unfortunate history of making costly and very bloody mistakes on an enormous scale One by one Gorrie analyzes those critical mistakes and explains how they may lead to economic collapse in China and global depression Describes Chinese cannibal capitalism and where its massive abuse of the country s environment people and arable lands is leading that country and the world economy Chronicles China s history of recurring economic crisis and explains why all the evidence suggests that history is about to repeat itself *The World that Changes the World* Willie Cheng, Sharifah Mohamed, 2010-11-02 If there is an X PRIZE for collaborative thought leadership of the social ecosystem this book would get it Dr Peter H Diamandis Chairman and CEO X PRIZE Foundation The World that Changes the World is thought leadership at its best envisioning the future through reflection and analysis of past trends and contemporary challenges Senator the Hon Ursula Stephens Australian Parliamentary Secretary for Social Inclusion and the Voluntary Sector The multifaceted multinational multisectoral insights in this volume offer inspiration ideas and opportunity for action and impact Dr Melissa A Berman President and CEO Rockefeller Philanthropy Advisors Inc This is a comprehensive primer representing the diversity of perspectives that comprises the evolving global social ecosystem Dr Pamela Hartigan Director Skoll Centre for Social Entrepreneurship Sa d Business School Oxford University The World that Changes the World puts together the pieces of this puzzle by explaining how these varied actors of the social ecosystem function and interact with each other Matthew Bishop Co Author Philanthrocapitalism How giving can save the world A valuable one stop resource for the many players in and observers of the social ecosystem Doug Miller Honorary President European Venture Philanthropy Association The World that Changes the World should become the pocket guide for changemakers of the world in the same way that The Lonely Planet is for travelers of the world Gib Bulloch Founder and Executive Director Accenture Development Partnerships *Journal of Anthropological Research* ,1973 *Selections from the Literature of American Biogeography* Ayer Company Publishers, Incorporated,1974 *The Presbyterian Quarterly* ,1887 *Society in Question* Robert J.
