The following schedule shows the amounts related to supplies that a city debited and credited to the indicated accounts during a year (not necessarily the year-end balances), excluding closing entries.

The city began the year with fund balance unassigned 10,000 and reserved for encumbrances 25,000 (the government re-appropriates outstanding commitments). And the city used all supplies received. The city records its budget by making one summarized journal entry, encumbers all its expenditures, and initially vouchers all payments. All revenue was collected in cash.
